

HUNTING and TRAPPING

July 2013 –
June 2014
Regulations
Summary

www.wvdnr.gov

FROM THE DIRECTOR

The return of the black bear in West Virginia is one of the greatest success stories of modern wildlife management. By the early 1970s, black bear populations were restricted to about 10 of West Virginia's eastern mountain counties. The future didn't look bright because wildlife biologists believed that fewer than 500 black bears were left in the state. At that time, it was believed that black bears needed expanses of wilderness with little human disturbance to survive.

In 1972, biologists initiated a black bear research project to learn more about black bear population ecology which would help them make sound management decisions. Radio transmitters were placed primarily on female bears to study reproductive rates, survival rates, and den entry and exit dates. By following these radio-collared bears, biologists learned that bears enter their winter dens in a fairly predictable order. Pregnant females entered their dens first, followed by females with yearling cubs, and finally, males. At the time, the hunting season consisted of a week of hunting in November followed by two weeks in late December. Biologists reasoned that if they moved the November segment of the bear season into December when the majority of pregnant females had already dened, the bulk of the harvest would be composed of male bears and the population would grow. And grow it did. Over the next 20 years, the bear population in West Virginia expanded in both numbers and distribution.

Black bears now live in every county. The DNR has gone from trying to grow the population statewide, to balancing the bear population to coexist with human populations. Bear numbers are controlled by adjusting the timing and length of hunting seasons. In recent years, hunters in West Virginia have enjoyed some of the most liberal bear hunting seasons in the country. As always, science will guide the management of black bears in West Virginia.

I encourage everyone to try bear hunting. I believe that you'll find that bear hunting is an exhilarating experience. While you're out there, think about the wealth of bear hunting opportunities available in West Virginia that are a result of scientific wildlife management paid for by sportsmen's dollars. Good luck and be safe this hunting and trapping season.

SUMMARY OF CHANGES 2013-2014

- Youth Small Game Season has been eliminated and the Youth squirrel season has been reinstated and will be September 7, 2013. See page 30.
- The daily bag limit for deer has increased and up to two deer may be taken per day during any deer season, but only one antlered buck may be taken in a day. The first deer does not have to be legally checked at an official game check station prior to harvesting the second deer in the same day. See season bag limits pages 13-18.
- All private land in counties having a firearms antlerless deer season (Class N or NN) will be open October 24-26, November 25 – December 7, December 19-21 and December 28-31. All public lands having an antlerless deer season will be open November 25 – December 7, December 19-21 and December 28-31. Bag limits vary among counties but will be either one or three antlerless deer. See pages 13-18.
- Fall wild turkey hunting season has been increased in 2013 with 15 counties open October 12-19; 13 counties open October 12-19 and October 28 - November 2; and 14 counties open October 12-19 and October 28 - November 16. See page 33.
- Black bear gun hunting seasons in 2013 include 16 counties or parts thereof open September 21-27; eight counties open October 7-11; 19 counties open November 25 – December 7 by permit only on private land during the Buck Season and 10 counties open November 25 - December 7 without permit during the Buck Firearms Season, and all 55 counties open December 9-31. The daily bag limit is one bear per day with a season bag limit of two bears, provided at least one bear comes from Boone, Fayette, Kanawha, Logan, McDowell, Mingo, Raleigh or Wyoming counties. See pages 38-39.
- Resident Apprentice Hunting and Trapping Licenses (Class AH and AHJ) and nonresident Apprentice Hunting and Trapping Licenses (Class AAH and AAHJ) are available to those individuals who have never had a valid base hunting license. Prior completion of a hunter education course is not required to purchase an Apprentice Hunting and Trapping License, but holders of one of these licenses must be accompanied and directly supervised by a licensed adult. See pages 7 and 42.

2013-2014 Seasons, Dates and Limits

Ring-necked Pheasant (cock birds only) Hillcrest WMA (cock birds only)	November 2	January 4	2	2	None			
	November 9	December 7	1	1	None			
Raccoon (Hunting) The bag limit during an 11-hour period beginning at 6 p.m. and ending at 5 a.m. is four raccoons for each person or groups of persons hunting as a party.	October 12	February 28	4	None	None			
Raccoon (Trapping)	November 2	February 28	None					
Red Fox, Gray Fox (Hunting and Trapping)	November 2	February 28	None					
Red Fox, Gray Fox (Hunting - night with artificial light, see page 3)	January 1	February 28						
*Bobcat (Hunting and Trapping)	November 2	February 28	3					
Mink, Muskrat (Trapping)	November 2	February 28	None					
*Fisher (Trapping)	November 2	January 31	1					
*Beaver (Trapping)	November 2	March 31	None					
*Otter (Trapping)	November 2	February 28	1					
Crow - Split Season Nuisance Crows - crows committing depredations upon ornamental or shade trees, agricultural crops, home gardens, livestock, or wildlife, or when concentrated so as to constitute a health hazard and or other nuisance may be killed at any time.	October 1	November 23	None					
	January 1	March 1						
Coyote (Hunting)**	Continuous Open Season		None					
Coyote (Hunting - night with artificial light)**	January 1	July 31						
Skunk, Opossum, Woodchuck, Weasel, English Sparrow, European Starling and Pigeon (Hunting)	Continuous Open Season		None					
Skunk, Opossum, Coyote, and Weasel (Trapping)	November 2	February 28						
Elk, Mountain Lion, Song and Insectivorous Birds, Owls, Hawks, Falcons and Eagles			No Open Season					
Geese, Ducks, Mourning Doves, Gallinules, Rails, Woodcock and Common Snipe		Harvest Information Program (HIP) registration required. See WVDNR Migratory Bird Hunting Regulations available in September.						
* Must be checked at an official game checking station ** See page 6 for additional regulations								

GENERAL REGULATIONS

PROHIBITIONS

It is illegal to:

- hunt in state parks (except as otherwise designated), in safety zones in state forests or wildlife management areas, and in Harpers Ferry National Historical Park.
- shoot, hunt or trap upon the fenced, enclosed or posted lands of another person without having in possession written permission from the landowner.
- have a crossbow with a nocked bolt, a loaded firearm or a firearm with an attached magazine from which all shells have not been removed in or on any vehicle or conveyance (including ATVs) or its attachments. You can have a loaded clip or magazine in the vehicle as long as it is not in or attached to the firearm. Exception for concealed weapons permit holders (see page 5).
- carry an uncased or loaded firearm in the woods, except during open firearms hunting seasons. It is legal to hunt unprotected species of wild animals, wild birds and migratory game birds during the open season in fields, waters and marshes.
- hunt with a fully automatic firearm.
- hunt small game in counties having a bucks-only season during the first three days of this season. It is legal to hunt waterfowl during this period on lakes, rivers, and waterways during the open waterfowl season, to hunt bear in specified counties, and to hunt coyotes.
- hunt deer, bear or boar between ½ hour after sunset and ½ hour before sunrise or with an electronic call.
- be afield with a gun and bow, or with a gun and any arrows, except for concealed weapons permit holders (see page 5).
- carry an uncased gun or crossbow in or on a vehicle or conveyance between 5 p.m. and 7 a.m. E.S.T. from October 1 – June 30; and between 8:30 p.m. and 5 a.m. E.S.T. from July 1 – September 30; provided, time periods can be extended for one hour before or after times established above if transporting uncased gun or crossbow to or from a hunting site, campsite, home or other place of abode.
- carry an uncased or loaded gun after 5 a.m. on Sunday in counties which prohibit Sunday hunting except as provided in the trapping regulations.
- shoot a firearm within 500 feet of a school, church or dwelling, or on or near a park or other place where persons are gathered for pleasure; provided, a resident or guest of a dwelling may shoot a firearm within 500 feet of the dwelling where the person lives, if all residents of the dwelling consent and no other dwellings are within 500 feet.
- hunt while under the influence of alcohol.
- for anyone under the age of 15 to hunt on public land or the lands of another unless accompanied by a licensed adult, at least 18 years of age, who remains near enough to render advice and assistance (see exception for youth seasons pages 30 and 33).
- hunt or fish with a modified bow without a special permit issued by the Director.
- get out of a motor vehicle along a public road and shoot a bow, crossbow or firearm unless you are at least 25 yards from the vehicle.
- shoot at or to shoot any wild bird or animal unless it is plainly visible.
- shoot at a deer or boar while it is in water.
- hunt or conduct hunts for a fee where the hunter is not physically present in the same location as the wildlife being hunted.
- use or take advantage of artificial light in hunting, locating, attracting, or trapping wild birds or wild animals while in possession or control of a firearm, whether cased or uncased, bow, arrow, or other implement suitable for taking, killing or trapping a wild bird or animal. However, artificial lights may be used for taking coyote, fox, raccoon, skunk and opossum, provided the lights are not attached to or used from a vehicle or other land conveyance. Coyotes and fox may be hunted using any color artificial light in open season (see pages 2 and 6). No person shall be guilty of using an artificial light to look for, at, or attract a wild bird or animal, unless in possession of a firearm, whether cased or uncased, bow, arrow, or other implement suitable for taking, killing or trapping a wild bird or animal, or unless the artificial light (other than the headlamps of a vehicle or other land conveyance) is attached to, a part of, or used from a vehicle or other land conveyance.
- smoke wildlife from its den or place of refuge except as provided by law or regulation.
- hunt with a crossbow or have a crossbow afield except that Class Y and Class YY permit holders may hunt with a crossbow in established archery seasons.
- catch or kill, or attempt to do so by seine, net, bait, trap, deadfall, snare, or like device, any bear, game bird, protected bird or mammal, or wild boar.
- bait or feed bear at any time.
- hunt or shoot at wild animals or birds from an airborne conveyance, from a vehicle or other land conveyance, from a motor-driven water conveyance, or from or across a public road, unless specifically authorized to do so by law or regulation. You may shoot from a motorized watercraft if the motor has been completely shut off and progress from the motor has ceased.
- use poisons, chemicals or explosives in taking any furbearing animal, game animal, game bird or protected song and insectivorous bird, provided that groundhogs may be controlled on private land by landowners, their resident children or resident parents, or a resident tenant from April 1 through September 30.
- use shot larger than No. 4 or solid ball ammunition, except for .22 caliber or smaller centerfire during the buck deer season in the four counties closed to the buck season.
- hunt between ½ hour after sunset and ½ hour before sunrise with any firearm larger than .22 caliber centerfire, a shotgun using solid ball ammunition or shot shells larger than No. 2 shot.
- dispose of animal carcasses by dumping them along any public road or highway.
- bait or feed any wildlife on public land between September 1 and December 31 and during the spring gobbler seasons.

GENERAL REGULATIONS

TRAPPING REGULATIONS

A trap is a device used to catch and hold animals and includes box traps, body gripping or killer-type traps, foot or leghold traps, encapsulating traps and snares.

No traps shall be set before 8 a.m. on the first day of the season or either set or left set after 12 noon on the last day of the season.

All traps MUST be checked and tended daily.

Traps previously and legally set may be tended after 5 a.m. on Sunday, if the person so doing shall have no firearm greater than .22 caliber rimfire in possession.

Nonresidents must possess a valid Class E, XXJ, AAH or AAHJ license and a CS/LE stamp to trap.

All traps used for taking game or furbearing animals shall be marked with a durable plate or tag attached to the snare, trap or trap chain bearing the owner's name and address.

A person who unintentionally traps and kills more than the season bag limit shall deliver excess animals to a Natural Resource Police officer within 24 hours.

Foot snares are legal when the snare loop:

1. does not exceed 6½ inches in diameter.
2. is at ground level.
3. is horizontal to ground level.

Terrestrial body-gripping snares are legal when the snare:

1. has a relaxing-type lock system with a breaking point of 350 pounds or less or a stop with a minimum loop diameter of at least 2 inches.
2. is set with an average loop diameter not greater than 15 inches.
3. is anchored at the trap site.

It is illegal to:

- have in possession an untagged beaver, bobcat, otter or fisher pelt or parts thereof, after 30 days following the close of the respective season.
- set deadfalls for taking wildlife.
- set or use foothold traps with an open inside jaw spread of more than 6½ inches unless the trap is used underwater.
- set traps or trapping devices in human foot trails or livestock paths.
- set body-gripping or killer-type traps with an inside jaw spread of more than 5 inches, as measured between striking surfaces of jaws when set for terrestrial trapping. These types of traps may be used in water sets.
- set spring pole snares.
- use exposed animal or bird carcasses or parts thereof to bait an animal to a trap set that is within 50 feet of the carcass. Animal or bird carcasses or parts thereof that are completely covered and concealed from sight may be used as a lure at the immediate trap site.
- trap on fenced, enclosed or posted lands of another person without written permission of the landowner.
- take beaver, fisher, mink, otter or muskrat by any means other than by trap.
- use steel jaw traps with any teeth on or attached to them.
- set a trap, trapset or snare upon a tree, post or other natural or man-made object at any point more than three (3) linear feet from the surface of the earth (whether such surface is water, soil or rock) measured at right angle from the surface to the trap or trapset. Traps may be set on natural earthen mounds, such as ant hills or muskrat houses, constructed without human assistance.
- set traps during the month of March for the taking of beaver unless the traps are in water.
- trap in state parks, in safety zones located in state forests and wildlife management areas, in Harpers Ferry NHP and on National Park Service land within the New River Gorge NR.
- trap on a state WMA or State Forest without obtaining a permit from the District Wildlife Biologist.

RIVER OTTER CARCASSES

The DNR is requesting river otter trappers turn skinned carcasses in to a District DNR office (see inside front cover) or a local DNR representative. Data collected from carcasses will be used to refine population models used by biologists to monitor river otter populations and guide future management decisions.

TAGGING AND SHIPPING REQUIREMENTS:

Bobcat hunters and trappers and otter trappers should obtain a plastic CITES seal for each bobcat and/or otter pelt they plan to sell out of state. All bobcat and/or otter pelts being sold by licensed fur dealers must have a CITES seal from the state where the animal was harvested before being sold on the international market. CITES seals are only available at DNR offices (see inside front cover).

Trappers shall present beaver, bobcat, otter and fisher pelts to a game checking station or DNR representative within 30 days after the close of the respective trapping season. The official game checking tag provided by the DNR shall be attached and remain attached to each beaver, bobcat, otter and fisher pelt until it has

been sold, tanned, processed into commercial fur or mounted.

A person may not ship or transport any raw furs, pelts, or skins of wild furbearers outside of the state unless such shipment has a special shipping tag visibly attached. Shipping tags must be obtained from the DNR. One part shall be attached to the outside of the package or container and the other part completed and returned to the DNR within 24 hours of shipping furs out of state.

The dealer or buyer of raw furs, pelts, or skins of furbearers in this state shall have a dealer's license and shall submit to the Director a completed fur dealer transaction report as provided by the Director.

GENERAL REGULATIONS

ARCHERY REGULATIONS

Nonresident bow hunters, except holders of Class DT licenses, must possess a Class EE license, and Class CS/LE and DS stamps to hunt bear.

For bow fishing, a resident or nonresident is required to have a valid fishing license.

A bow, but not a crossbow, may be substituted for a firearm during any season for which firearms are legal except during muzzleloader firearms deer seasons.

A Class Y or YY permit allows a qualified, physically challenged person to hunt with a crossbow during designated archery seasons.

It is illegal to:

- have a gun and bow afield together, except that persons who have a concealed weapon permit may carry a concealed handgun for self-defense only.
- have a crossbow with a nocked bolt in or on any vehicle or conveyance or its attachments.
- carry an uncased crossbow in or on a vehicle between 5 p.m. and 7 a.m. E.S.T. from October 1 – June 30; and between 8:30 p.m. and 5 a.m. E.S.T. from July 1 – September 30; provided, time periods can be extended for one hour before or after times established above if transporting uncased gun or crossbow to or from a hunting site, campsite, home or other place of abode.
- hunt with a crossbow except for the holder of a Class Y or YY permit during designated archery seasons. A crossbow must have:
 - » a draw weight of at least 125 pounds.
 - » a working safety.
 - » bolts at least 18 inches long.
 - » broadheads with at least two edges at least ¾-inch wide.
- hunt wild turkey, bear, deer or boar with arrows having less than two sharp cutting edges, measuring less than ¾ of an inch in width.
- use an arrow with an explosive, drug-laced or poisoned head or shaft.
- have a bow in the woods during closed seasons on game animals and non-migratory game birds.
- use dogs while bow hunting for black bear except when the use of dogs is legal during the bear firearms season (this exception is only for counties where dogs are legal – see pages 39).
- hunt with a locking device capable of holding a bow at full draw, except with a modified bow permit issued by the Director.
- bowhunt on state parks (except as otherwise designated) and wildlife refuges, Harpers Ferry NHP, and safety zones on state forests and wildlife management areas. All wildlife refuges are appropriately posted.

REGULATIONS MEETING SCHEDULE

March 17, 2014

Fairmont, Princeton, Martinsburg, Milton, Spencer and Flatwoods

March 18, 2014

Elkins, Glen Dale, Logan, Moorefield, Parkersburg and Beckley

TAGGING AND TRANSPORTING

Refer to deer, bear, wild turkey, boar and trapping sections for specific tagging and transporting requirements.

No persons may transport or possess wildlife killed by another hunter, unless the wildlife or parts thereof is accompanied by a paper tag filled out legibly bearing the signature, address, date of kill, hunting license number (if required) and the official game checking tag number (if required) of the hunter who killed the wildlife. The tag shall also specify the species and quantity of wildlife.

HANDGUN LAWS AND REGULATIONS

Individuals who possess a valid concealed carry permit may carry a concealed handgun while afield hunting, hiking, camping, fishing or in or on a motor vehicle for purposes of self-defense only.

Only persons 21 years old or older are eligible for a Class A-1 stamp.

Only revolvers or pistols having a barrel at least 4 inches in length are legal for hunting.

While hunting, the licensee shall carry the revolver or pistol outside his/her outer clothing, in an unconcealed and easily visible place.

A revolver or pistol may be used only during established hunting seasons. Only single-shot muzzleloading pistols of .38 caliber or larger are legal for hunting deer during the muzzleloader season.

It is legal to hunt groundhogs in open fields with a revolver or pistol.

It is illegal to:

- take migratory game birds with a pistol.
- hunt between 1/2 hour after sunset and 1/2 hour before sunrise with a revolver or pistol larger than .22 caliber centerfire.
- hunt bear, deer, or wild boar with a revolver or pistol using a straight-walled case of less than .357 magnum cartridge or a bottle-necked case of less than .24 caliber.
- hunt bear, deer or wild boar with a muzzleloading pistol of less than .38 caliber.

GENERAL REGULATIONS

WHEN LICENSES OR PERMITS ARE NOT REQUIRED

1. Resident landowners or their resident children or their resident parents or resident tenants of such land, may hunt or trap on their own land without a license during open seasons (see definition of resident landowner privileges on page 9).
2. Residents honorably discharged from the U.S. armed forces receiving total permanent service connected disability benefits or former prisoners of war as determined by the Veterans Administration or resident disabled veterans who qualify under West Virginia Code 17A-10-8 and are exempted from payment of a motor vehicle registration fee by the Commissioner of Motor Vehicles, may hunt or trap without a license during open seasons. Such individuals shall carry on their person an identification card issued by the Director. Some additional stamps may be required (see pages 10 and 41).
3. Ohio residents who carry valid Ohio hunting licenses may hunt waterfowl on the Ohio River and its embayments or tributaries to points identified by the Director or from the West Virginia banks of said river without obtaining West Virginia licenses, and West Virginia residents who carry valid West Virginia hunting licenses may hunt waterfowl on Ohio River embayments or tributaries to designated points in Ohio or from the river's banks in Ohio without obtaining Ohio licenses. Ohio hunting laws apply to residents of Ohio and West Virginia while hunting or fishing from Ohio banks or in Ohio embayment areas. West Virginia hunting laws apply to residents of Ohio and West Virginia while hunting on the Ohio River proper or from West Virginia banks and embayment areas.
4. Residents 65 years of age or older, who have attained that age prior to January 1, 2012, do not need a license to hunt or trap, but shall carry a WV driver's license or WV photo ID card issued by the Division of Motor Vehicles (see page 41). Residents who have not reached their 15th birthday may hunt without a license but they must be accompanied by a licensed adult who remains near enough to the youth to render advice and assistance. Some additional stamps may be required (see pages 10 and 41).
5. West Virginia residents on active duty in the U.S. armed forces, while on military leave, may hunt or trap in season without obtaining a license. Leave papers shall be carried while hunting or trapping. Some additional hunting stamps may be required (see pages 10 and 41).
6. Persons participating in field trials permitted by the Director shall not be required to have a hunting license.
7. Persons under 16 years of age do not need a migratory waterfowl stamp.

DOG TRAINING

Persons training dogs shall not have a firearm or other implement for taking wildlife in their possession during closed seasons on wild animals and birds. Persons participating in dog training must have a hunting license.

A person may not be guilty of hunting without permission just because their dog, without their direction or encouragement, travels onto another person's land where they do not have permission to hunt, providing no game is taken, livestock or domestic animals killed or damage done to that property. Dogs may not be retrieved without the landowner's permission.

No person, other than the owner of a registered dog, may remove a tag, collar or other identifying apparel, nor remove or turn off a radio transmitting collar without the permission of the owner unless it is necessary to prevent or treat an injury to the dog, or is done by a law enforcement officer for law enforcement purposes.

Residents may train dogs and hold field trials on wild animals and birds on public lands or on private land with the landowner's written permission at any time. Prohibitions on Sunday hunting also apply to dog training. Dogs may not be trained on deer or wild turkey.

Nonresidents may train dogs during any open small game hunting season, or if their state offers WV hunters reciprocal dog training privileges, they may train dogs on raccoons from August 15 through February 28. See additional information on bear dog training on page 37.

Bird Dog Training

A permit may be obtained to train dogs on pigeons or commercially pen-raised quail on private land if training during a closed season and if birds are being killed.

COYOTE HUNTING REGULATIONS

Coyotes may be hunted year round.

Hunting coyotes at night using any color artificial light is legal from January 1 thru July 31.

Firearms legal for night coyote hunting are shotguns with #2 or smaller shot and rifles and handguns of .22 caliber centerfire or smaller and .22 caliber rimfire or smaller.

During closed small game season, coyotes may only be hunted in open fields. Guns must be cased while being transported to and from the open field.

Electronic calls are legal.

There is no daily, annual or season bag limit.

GENERAL REGULATIONS

MANDATORY HUNTER EDUCATION & IDENTIFICATION REQUIREMENT

No base hunting license may be issued to a person born on or after January 1, 1975, (exemption - see **Apprentice Hunting and Trapping Licenses information below**) unless the person presents to the license agent: a certificate of satisfactory completion of a Hunter Education Course approved by the Hunter Education Association or the Director, or the previous years resident or nonresident WV hunting license bearing certification, or attests to certification when purchasing a license online. Persons who purchase a lifetime hunting license before their 15th birthday must complete a certified hunter education course before using the license.

A person may not legally hunt unless he/she has on his/her person: a) the proper licenses, stamps or permits, b) a photo ID, and c) proof of hunter safety certification (if required).

Hunters who have lost their hunter education card may obtain a duplicate from their local DNR District Law Enforcement Office. Applications for duplicate cards are available at license agents or www.wvdnr.gov. The fee is \$10.

Hunter Education Classes Information:

Contact the WVDNR District Office closest to you or visit www.wvhuntered.com or www.wvdnr.gov and follow the Hunter Education prompts.

APPRENTICE HUNTING AND TRAPPING LICENSES INFORMATION (CLASS AH, AHJ, AAH AND AAHJ)

Persons who wish to try hunting and/or trapping without taking a hunter education course, may buy an Apprentice Hunting License, which can only be purchased online at www.wvhunt.com (see page 41).

No one who has ever had a base hunting license may buy the Apprentice License. No person can buy more than three Apprentice licenses, and those purchases must be made within five consecutive years. A hunter who buys the Apprentice Hunting License must possess all other required documentation and stamps while hunting and must be directly supervised by a licensed adult.

See page 42 for license fees.

The WVDNR has the authority under Federal Welfare Reform Legislation (Title 42 of the U.S. Code Section 666 (a) (13) to collect the Social Security Number from an applicant for a recreational license such as a fishing and hunting license. This facilitates collection of child support payments. States failing to collect a SSN could face loss of federal welfare funds. The DNR takes every precaution including encryption and masking to protect your SSN.

REPORTING NATURAL RESOURCES LAW VIOLATIONS

In progress – dial 911

Not in progress – call your DNR District Law Enforcement Office during normal operating hours or online at www.wvdnr.gov/LEnforce/Poachers.shtm.

1. Observe and write down all of the information concerning the violation.
2. Don't confront the violator.
3. Contact a local Natural Resource Police Officer or county communication center as soon as possible.

Become involved in protecting your sport, be willing to testify in court.

SUNDAY HUNTING

In any county where Sunday hunting has not been prohibited by local election, Sunday hunting is legal on private land only with written permission of the landowner. Hunting is prohibited on any Sunday (October 6, 2013, November 24, 2013, December 8, 2013, and April 27, 2014) preceding the Monday opening of a big game season.

For a current list of counties open to Sunday hunting, visit www.wvdnr.gov/Hunting/SundayHunt.shtm or check with your county DNR officer or county clerk.

POINT SYSTEM FOR HUNTING VIOLATIONS

Persons found guilty of negligent shooting of humans or livestock will have their hunting licenses revoked for five years.

For bear hunting violation penalties see page 36.

Persons making false application for a license will have their license privileges suspended for one year.

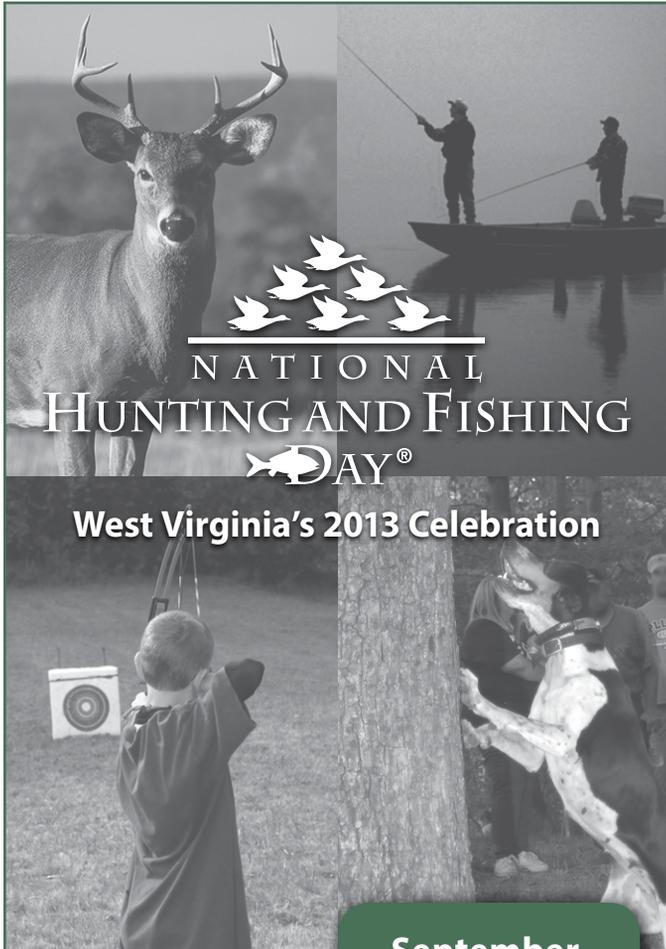

Points are assigned for other hunting violations:

- 10 points** use of spotlight with firearms or other implement.
- 6 points** illegal possession or sale of wildlife or illegally killing deer, boar, or turkey.
- 6 points** hunting from a motor vehicle.
- 4 points** all other hunting violations.

When a person accumulates 10 or more hunting and/or fishing violation points combined, his/her licenses will be revoked for a period of two years.

Points will be removed on the second anniversary or upon restoration of the license.

GENERAL REGULATIONS

- More than 100 vendors and exhibits
- Big buck and trophy fish displays
- Hunting, fishing and wildlife seminars
- Outdoor Youth Challenge
- Children's activities
- Learn how to clean a fish, shoot a rifle, and cast a fishing line
- Wild game and fish tasting

Admission:

Adults: \$6
Children (ages 4 to 15): Free

**September
28-29**

**Saturday
9 a.m. – 6 p.m.**

**Sunday
9 a.m. – 6 p.m.**

**Stonewall Resort
State Park,
Roanoke, WV
just off I-79 at Exit 91**

GENERAL REGULATIONS

WILDLIFE MANAGEMENT AREAS AND STATE FORESTS

Rules and regulations governing hunting and trapping on state owned and leased lands are the same as on adjacent private lands except as follows:

1. Trapping permit, available from District Wildlife Biologist, required on all areas.
2. It is illegal to bait or feed any wildlife on public land between September 1 and December 31 and during the spring gobbler seasons.
3. Beech Fork Lake, Bluestone Lake, Burnsville Lake, Green Bottom, Hillcrest and McClintic WMAs and Calvin Price and Coopers Rock State Forests — Hunting only in accordance with special rules established for the area (see pages 11-12, 16-17, 25, 27 and 29).
4. WMAs and state forests with camping areas require a permit and fee (see regulations posted at each area).
5. Camping is lawful ONLY in designated areas.
6. Use of ATVs and snowmobiles is prohibited. All-Terrain Vehicle (ATV) means any motor vehicle designed for off-road use not subject to the vehicle registration requirements of Chapter 17A of the West Virginia Code.
7. Driving a vehicle, ATV, or snowmobile so as to harass or chase wildlife is prohibited.
8. Maximum speed limit for vehicles on WMAs and state forests is 30 miles per hour, unless otherwise posted. All traffic signs and directions must be observed.
9. Driving a vehicle in a manner which creates a nuisance to other persons by repetitive or continuous cruising is prohibited.
10. Class Q/QQ hunting access is available on some WMAs. Contact the District Wildlife Biologist for more information (see pages 34-35).
11. Only portable tree stands may be used on public lands.

DEFINITIONS OF TERMS USED

Bait: any feed or edible enticement.

Baiting: the direct or indirect placing or exposing of bait so as to attract or entice wildlife to an area where hunters are attempting to take them. An area is considered to be baited for 10 days after bait is removed.

Big Game: black bear, deer, wild turkey and boar.

Bow: a longbow, recurve bow, or compound bow that is hand-drawn, hand-held and held at full draw without the aid of any mechanical device. Triggering devices or release aids are legal.

Concurrent hunting: hunting of the same and/or other species during a legally prescribed season.

Hunt: to chase, catch or take wild birds or animals.

Licensed adult: an individual who has attained the age of 18 years, and possesses a valid West Virginia hunting and trapping license or is exempt from having to purchase a West Virginia hunting and trapping license.

Life-threatening condition: a terminal condition or illness that according to current diagnosis has a high probability of death within two years even with treatment with an existing generally accepted protocol.

Modified bow: a longbow, recurve bow, or compound bow that has been modified to hold the bow at full draw to accommodate a physical impairment of the user.

Nonresident: person who does not meet the requirements of a resident.

Permanently disabled in the lower extremities: an individual who is permanently and totally disabled due to paralysis or disease in the lower half of the body, which makes it impossible to ambulate successfully more than two hundred feet without assistance.

Possession limit: game taken in WV which is in any way under the hunter's control. Example: the total of all game in a car, truck, home freezer, commercial food locker, or any other storage place.

Private lands: lands owned by an individual(s), partnership, heirship, club, organization or company and/or not qualifying as public land (e.g. National Wildlife Refuges).

Protected: no open season. Hunting at any time shall be illegal for protected wildlife.

Public lands: State or Federal lands owned, leased, licensed to or under the control of West Virginia DNR for wildlife management purposes.

Resident: a person who has been a domiciled resident continuously in West Virginia for 30 consecutive days or more immediately prior to the date of application for a license or permit. This includes members of the U.S. armed forces stationed outside the state who were West Virginia residents at the time of entry into the service and full-time students of a college or university of this state. Nonresident students of West Virginia colleges are not eligible to apply for lifetime licenses. Absentee ownership of land in West Virginia does not constitute legal residence.

Resident landowner privileges: apply to West Virginia residents who own land in West Virginia, their resident children and parents, or resident tenants when hunting or trapping on their own land. Resident tenants must permanently live on the land.

Small Game: all game and furbearing animals and game birds except big game. Does not include coyotes.

DEER – General Regulations

RESIDENT DEER HUNTING LICENSE PRIVILEGES WITH

Annual Classes X, XJ, and AHJ, Lifetime Classes A-L, AB-L, and XS*, Military, Disabled Veteran, former POW, Senior Citizen and Underage:

entitles a hunter to take one deer during the archery season, one antlered deer during the buck season and one deer during the muzzleloader season.

* Class XS License holders refer to page 30.

Additional stamps must be purchased:

- to hunt an additional antlered deer in buck season: Class RG
- to archery hunt an additional deer: Class RB
- to hunt antlerless deer in antlerless season: Class N
- to hunt an additional deer with a muzzleloader in muzzleloader season: Class RM
- to hunt with a handgun: Class A-1

Annual Class A and AH (must also have a Class CS):

entitles the hunter to hunt one antlered deer during the buck season.

Additional stamps must be purchased:

- to hunt an additional antlered deer in buck season: Class RG
- to archery hunt deer: Class BG
- to archery hunt an additional deer: Class RB
- to muzzleloader hunt deer in muzzleloader season: Class BG
- to hunt an additional deer with a muzzleloader in muzzleloader season: Class RM
- to hunt antlerless deer in antlerless season: Class N
- to hunt with a handgun: Class A-1

RESIDENT LANDOWNER PRIVILEGES

West Virginia resident landowners may hunt on their own land without obtaining a license. See definition of resident landowner privileges on page 9.

A resident landowner hunting on his/her own land without a license can take the same number of deer as a licensed hunter. A hunter (licensee or landowner) cannot take more than the number of deer allowed in the respective seasons.

After killing a deer as a landowner, a person cannot take another deer by use of a license for which the privilege has already been used.

RESIDENT AND NONRESIDENT LICENSE PRIVILEGES WITH A CLASS DT SPECIAL HUNTING AND FISHING LICENSE FOR PERSONS WITH A LIFE-THREATENING CONDITION

A resident or nonresident under age 21, who qualifies for and obtains a Class DT license, may hunt for and take the legal number of deer allowed in each season in compliance with county and statewide regulations without purchasing or otherwise obtaining any additional licenses or stamps, providing the Class DT license holder and assistant abides by all other pertinent laws and regulations. Class DT license holders must be accompanied by a parent, guardian, or with written consent of the parent or guardian, or any other competent licensed adult 21 years of age or older.

REPLACEMENT COSTS FOR ILLEGALLY INJURING OR KILLING ANTLERED DEER

In addition to the \$200 replacement value of deer, the following cost shall also be forfeited to the state by any person who is convicted of violating any criminal law of this state and the violation causes the injury or death of antlered deer:

1. For any deer in which the inside spread of the main beams on the antlers measured at the widest point equals 14" or greater but less than 16" - \$1,000;
2. For any deer in which the inside spread of the main beams on the antlers measured at the widest point equals 16" or greater but less than 18" - \$1,500;
3. For any deer in which the inside spread of the main beams on the antlers measured at the widest point equals 18" or greater but less than 20" - \$2,000;
4. For any deer in which the inside spread of the main beams on the antlers measured at the widest point equals 20" or greater - \$2,500;
5. Any person convicted of a second or subsequent violation of any criminal law of this state which violation causes the injury or death of antlered deer is subject to double the authorized range of cost to be forfeited.

**Blennerhassett Island State Park
Deer Season—November 12 & 14, 2013**

**Stonewall Jackson Resort
Deer Season—November 18-20, 2013**

Applications and information available July 1 at the WV DNR web site, District offices and State Parks.

General Regulations – DEER

NONRESIDENT LICENSE PRIVILEGES

Nonresidents (ages 8 thru 17) who have satisfactorily completed a Hunter Education Course may purchase a Class XXJ license or AAHJ license (without the training) and a Class CS/LE stamp are entitled to take one deer during the archery season, one antlered deer during the buck season, and one deer during the muzzleloader season.

Additional stamps must be purchased:

- to hunt an additional antlered deer in buck season: Class RRG
- to archery hunt an additional deer: Class RRB
- to hunt antlerless deer in antlerless season: Class NN
- to hunt an additional deer with a muzzleloader in muzzleloader season: Class RRM

All other nonresidents, except those who hold License Classes XXJ, AAHJ or DT, regardless of landowner status, must purchase an annual Class E or AAH license and a Class CS/LE stamp. This entitles the holder to hunt one antlered deer during the buck season.

Additional stamps must be purchased:

- to hunt an additional antlered deer in buck season: Class RRG
- to archery hunt deer: Class UU
- to archery hunt an additional deer: Class RRB
- to muzzleloader hunt deer in muzzleloader season: Class VV
- to hunt an additional deer with a muzzleloader in muzzleloader season: Class RRM
- to hunt antlerless deer in antlerless season: Class NN
- to hunt on national forest lands: Class I
- to hunt with a handgun: Class A-1

BLAZE ORANGE REQUIREMENT

Persons hunting in counties or portions thereof where a deer firearms season is presently open shall wear a blaze orange outer garment of at least 400 square inches. This applies to counties or parts thereof with the special youth/Class Q/QQ/XS antlerless deer season. This does not apply to waterfowl hunters and persons engaged in farming activities on their own land.

HUNTING HOURS AND RESTRICTIONS

After a person has killed his/her legal daily limit of deer, they may not participate further in hunting deer with either a bow or firearm the remainder of the day.

After killing the legal limit of deer, a hunter shall not be afield with any firearm with solid ball ammunition unless legally hunting bear, or shot shells containing larger than No. 4 shot unless legally hunting waterfowl using nontoxic shot.

It is legal to hunt small game during the muzzleloader season with a .22 caliber rimfire.

A hunter may take no more than three antlered deer per calendar year in all archery and firearms seasons combined.

FIREARMS/BOWS AND EQUIPMENT

It is illegal to hunt deer with:

- a shotgun using ammunition loaded with more than one solid ball, or a rifle using rimfire ammunition of less than .25 caliber.
- a fully automatic rifle, shotgun or handgun.
- a handgun using a straight-walled case of less than .357 magnum cartridge or a bottle-necked case of less than .24 caliber.
- a muzzleloader of less than .38 caliber during the muzzleloader deer season.
- both a gun and a bow or with a gun and any arrows, except that persons having a concealed weapons permit may carry a concealed handgun for self-defense only.
- a crossbow, except for the holder of a Class Y or Class YY permit, during designated archery seasons. Crossbows must have:
 - » a draw weight of at least 125 pounds.
 - » a working safety.
 - » bolts at least 18 inches long.
 - » broadheads with at least two edges at least ¾ inch in width.
- a bow with arrows having less than two sharp cutting edges, measuring less than ¾ inch in width.
- a bow locking device, except with a modified bow permit issued by the Director.
- an arrow with an explosive, drug-laced or poisoned head or shaft.
- anything other than a bow or single-shot muzzleloader on Green Bottom WMA, except that the holder of Class Y or YY permit may hunt with a crossbow during designated archery seasons.
- an electronic call.

DEER – General Regulations

FIELD TAGGING, CHECKING AND TRANSPORTING

Each person killing a deer must attach a completed field tag to the deer or remain with the deer and have upon their person a completed field tag before moving the carcass from where it was killed. A person who does not have a field tag must make one. This tag must bear the hunter's name, address, hunting license number (if required) and the date, time and county of kill. Immediately upon arriving at a residence, camp, hunting lodge, vehicle or vessel the field tag shall be attached to the deer and must remain on the carcass until it is tagged with an official game checking tag.

The unskinned carcass or the fresh skin and head of each deer, shall be delivered to a Natural Resource Police officer or an official checking station for checking and retagging:

1. before it is transported beyond the county adjacent to the county of kill,
2. within 72 hours from when it was killed or 24 hours from the close of the respective season, whichever comes first.

The official game check tag shall remain on the deer until it is dressed for consumption.

All deer killed in Logan, McDowell, Mingo or Wyoming counties shall be checked and retagged at an official game checking station in the four-county area within 24 hours of the time of kill. Deer killed outside these four counties may not be checked within the four-county area.

A hunter may harvest two deer on the same day, but only one antlered buck may be harvested on the same day. The first deer does not have to be legally checked by a Natural Resources Police officer or at an official checking station prior to harvesting the second deer in the same day. However, all deer legally harvested must be checked by a Natural Resources Police officer or at an official checking station for retagging prior to hunting during a subsequent day.

No person may transport or possess wildlife killed by another hunter, unless the wildlife or parts thereof is accompanied by a paper tag filled out legibly bearing the signature, address, date of kill, hunting license number (if required) and the official game checking tag number (if required) of the hunter who killed the wildlife. The tag shall also specify the species and quantity of wildlife.

BAITING AND FEEDING REGULATIONS

It is illegal to bait or feed any wildlife on public land between September 1 and December 31 and during the spring gobbler seasons. It is also illegal to bait or feed at anytime on Beech Fork Lake, Bluestone Lake, Burnsville Lake and McClintic WMAs and on Coopers Rock and Calvin Price State Forests (see pages 25, 27 and 29).

WEST VIRGINIA CHRONIC WASTING DISEASE (CWD) CONTAINMENT AREA

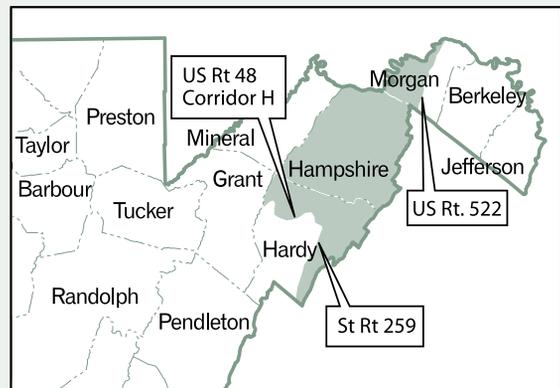

Includes all of Hampshire County, that portion of Hardy County north of Corridor H (US Rt. 48) and/or east of State Route 259 to the Virginia state line, and that portion of Morgan County which lies west of US Rt. 522.

Carcass Transport Regulations

Hunters are prohibited from transporting dead cervids (deer, elk, etc.) or their parts beyond the boundary of the containment area except for the following:

1. meat that has been boned out,
2. quarters or other portions of meat with no part of the spinal column or head attached,
3. cleaned hide with no head attached,
4. clean skull plate (no meat or tissue attached) with antlers attached,
5. antlers with no meat or tissue attached, and
6. finished taxidermy mounts.

Hunters may transport cervid carcasses that were not killed inside the containment area through the containment area.

It is illegal to bait or feed cervids or other wildlife in a "Containment Area" as determined by the Director and established for the management, control or eradication of chronic wasting disease or other wildlife diseases. Song and insectivorous birds may be fed, provided that such feeding shall not cause, or be done in a manner that would be reasonably anticipated to cause a congregation of cervids or other wildlife. Provided further, that captive cervids may be fed inside cervid facilities permitted by the Division of Natural Resources.

White-tailed Deer Hunting Seasons – DEER

The maximum annual bag limit (excluding special urban archery season) may include no more than 3 antlered bucks.

The Antlerless season is closed. The Muzzleloader season is restricted to antlered deer only. Class RM/RRM stamps are valid only for antlered deer.
Beaver Dam WMA Blackwater WMA Elk River WMA Greenbrier State Forest Huttonsville State Farm WMA	Kumbrabow State Forest Little Canaan WMA Little River WMA Potomac WMA	All deer season regulations are the same as private land in the counties or portions thereof where the WMAs or State Forests are located except: the Antlerless Season is open November 25 – December 7, December 19-21 and December 28-31. Prior application is required and the season bag limit is one deer. Class RM and RRM muzzleloader stamps are only valid for antlered deer.

White-tailed Deer Hunting Seasons – DEER

The maximum annual bag limit (excluding special urban archery season) may include no more than 3 antlered bucks.

Special Regulations

Wildlife Management Areas and other Public Lands

Burnsville Lake WMA	All deer season regulations are the same as private land in Braxton County where the WMA is located except: all antlered deer taken must have a minimum 14" outside antler spread. The annual bag limit for antlered deer in Buck Firearm, Archery and Muzzleloader Seasons combined is one deer. The Antlerless Season is open November 25 – December 7, December 19-21 and December 28-31, and the season bag limit is one deer. The RM and RRM muzzleloader stamps are valid for either sex deer.
Hillcrest WMA	All deer season regulations are the same as private land in Hancock County except: Buck Firearm Season is closed. This area has a Special Muzzleloader Deer Season from November 25 – December 7 and during this period only muzzleloaders may be used for hunting deer on the area. All Muzzleloader Season stamp requirements apply. The annual antlered deer bag limit for Archery and Muzzleloader seasons combined is one deer. The Antlerless Season is open November 25 – December 7, December 19-21 and December 28-31 and the bag limit is one deer. Class RM and RRM muzzleloader stamps are valid for either sex deer.
Wilson Cove Deer Study Area	All deer season regulations are the same as private land in Hardy County except: Buck Firearm Season is closed. This area has a Special Muzzleloader Deer Season from November 25 – December 7 and during this period only muzzleloaders may be used for hunting deer on the area. All Muzzleloader Season stamp requirements apply. The annual antlered deer bag limit for Archery and Muzzleloader Seasons combined is one deer. The Antlerless Season is open November 25 – December 7, December 19-21 and December 28-31. The RM and RRM muzzleloader stamps are valid for either sex deer.
Potts Creek WMA <i>(Jefferson National Forest)</i> Wallback WMA	All deer season regulations are the same as private land in the respective counties where the WMAs are located except: the Archery Season bag limit is two deer. The Antlerless Season is closed. Muzzleloader hunting is restricted to antlered deer only. Class RM and RRM muzzleloader stamps are only valid for antlered deer.
Green Bottom WMA	All deer season regulations are the same as private land in Cabell County except: Deer may only be hunted with bows or muzzleloaders and the Antlerless Season is open November 25 – December 7, December 19-21 and December 28-31 and the bag limit is one deer. Class RM and RRM muzzleloader stamps are valid for either sex deer.
Calvin Price State Forest	All deer season regulations are the same as private land in Pocahontas County except: all antlered deer taken must have a minimum 14-inch outside antler spread. The annual bag limit for antlered deer in the Buck Firearm, Archery and Muzzleloader Seasons combined is one deer. The Antlerless Season is open November 25 – December 7, December 19-21 and December 28-31. Prior application is required and the season bag limit is one deer. The RM and RRM muzzleloader stamps are only valid for antlered deer.
All other WMAs and other Public Lands	All regulations are the same as private land in the respective counties or portions thereof where the WMAs or other public lands are located except: in counties having an Antlerless Season, the Antlerless Season on WMAs and other public lands is open November 25 – December 7, December 19-21 and December 28-31.

DEER – Antlerless Season

An antlerless deer is any deer having no antlers or having no antler greater than three inches long above the hairline. The maximum annual bag limit in a county or any legal combination of counties is three Class N or NN antlerless deer.

<p>Counties* or parts thereof open to Unlimited Resident Class N, Nonresident Class NN and Two Additional Class N or NN</p> <p>Three (3) Class N or NN deer may be taken in each county, not to exceed an annual statewide bag limit of three (3) Class N or NN deer.</p> <p>October 24-26 (Private Land Only) November 25 – December 7, December 19-21 and December 28-31 (Private and Public Land**)</p>	<p>Counties or parts thereof open to Unlimited Resident Class N and Nonresident Class NN</p> <p>One (1) Class N or NN deer may be taken in each county, not to exceed three (3) Class N or NN deer.</p> <p>October 24-26 (Private Land Only) November 25 – December 7, December 19-21 and December 28-31 (Private and Public Land**)</p>	<p>Counties or parts thereof open to Unlimited Resident Class N and Nonresident Class NN and Two Additional Class N or NN</p> <p>Three (3) Class N or NN deer may be taken in each county, not to exceed an annual statewide bag limit of three (3) Class N or NN deer.</p> <p>October 24-26 (Private Land Only) November 25 – December 7, December 19-21 and December 28-31 (Private and Public Land**)</p>	<p>Counties or parts thereof, State Forests and Wildlife Management Areas open to Limited Resident Class N or Nonresident Class NN (Must Apply)</p> <p>Only one (1) Class N or Class NN antlerless deer may be taken in this group of counties and WMAs.</p> <p>October 24-26 (Private Land Only) November 25 – December 7, December 19-21 and December 28-31 (Private and Public Land**)</p>

Counties not listed in the table are closed to firearms antlerless hunting.

**See pages 16-17 for exceptions and special regulations regarding antlerless season on WMAs and other public lands.

Antlerless Season – DEER

All antlerless deer taken during the antlerless deer season or the portion of the antlerless deer season concurrent with buck firearms season must be taken on a Class N or NN stamp, Class DT license or as a landowner. See exception for concurrent archery hunting on page 25.

All West Virginia residents must purchase a Class N stamp to hunt during the antlerless season with the following exceptions:

- Resident landowners (see page 10) may hunt antlerless deer on their land without a license provided the land is in a county or part thereof open to antlerless deer hunting.
- Resident landowners, their resident children or resident parents do not have to live on the property. However, a resident tenant must permanently live on the land.
- Resident stockholders of resident corporations formed for the primary purpose of hunting or fishing who own in fee no less than 1,000 acres may hunt antlerless deer on their own land, provided the land is in a county or part thereof open to antlerless deer hunting.
- Residents or nonresidents who hold Class DT licenses are not required to purchase Class N or NN stamps but must abide by all other antlerless regulations.

All nonresidents, military personnel, senior citizens, Class Q and QQ, Class XS, disabled veterans, former POWs and underage hunters not exempted must purchase a Class N or NN stamp to hunt antlerless deer during the antlerless season.

Class N or NN stamps may be purchased at any license agent, designated county clerk's office, the DNR offices in Charleston and Elkins, or on the DNR Web site (see page 41).

Class N or NN stamps are nontransferable. Class N or NN stamps are not county specific, but in limited resident counties, State Forests or WMAs, the Class N stamp must be accompanied by a valid eligibility card.

During the antlerless season, a Class N or NN stamp holder may substitute a bow for a firearm to take antlerless deer.

Only one antlerless deer may be taken on each Class N or NN stamp.

A hunter may harvest two deer on the same day, but only one antlered buck may be harvested on the same day. The first deer does not have to be legally checked by a Natural Resources Police officer or at an official checking station prior to harvesting the second deer in the same day. However, all deer legally harvested must be checked by a Natural Resources Police officer or at an official checking station for retagging prior to hunting during a subsequent day.

No person may actively participate (driving) in any manner in hunting antlerless deer without a valid Class N or NN stamp or otherwise being exempt from having a Class N or NN stamp.

November 3, 2013

Share Your Harvest Sunday

Designated annually by the West Virginia Division of Natural Resources, Wildlife Resources Section, in conjunction with the West Virginia Council of Churches, Share Your Harvest Sunday helps support and keep the Hunters Helping the Hungry (HHH) Program alive and growing.

HHH is a charitable program that provides high quality meat for meals to needy West Virginians. Hunter donated deer are processed into ground venison and distributed to charitable agencies who help feed West Virginia's less fortunate.

Hunters are asked to encourage their churches to participate by asking each member of the congregation to donate \$1, \$5 or whatever you can afford, during a special Sunday collection for the HHH Program. The donations are collected by the DNR to help Mountaineer Food Bank of Gassaway, WV, pay for meat processing and distribution costs associated with the HHH Program.

Since its inception in 1992, HHH has provided venison for more than 1.1 million meals to needy West Virginians.

Congregations unable to participate on November 3, may choose a more convenient time.

Mail donations to:

Hunters Helping the Hungry
WVDNR Wildlife Resources
324 4th Avenue
South Charleston, WV 25303

DEER – Antlerless Season

COUNTIES WITH A BAG LIMIT OF THREE CLASS N OR NN DEER IN ANTLERLESS SEASON AND COUNTIES WITH A BAG LIMIT OF THREE CLASS N OR NN DEER WITH SPECIAL REGULATIONS

Counties with a bag limit of three Class N or NN deer in antlerless season having a special regulation

There are 23 counties where a hunter may take three antlerless deer during the antlerless season by purchasing multiple Class N or NN stamps (see pages 13 and 18). Hunters may take up to three antlerless (Class N or NN) deer in each county not to exceed the bag limit specified in each county and not to exceed the annual statewide bag limit of three antlerless (Class N or NN) deer. **In these counties, archery hunters are required to take an antlerless deer during the archery season prior to harvesting a second antlered deer during the archery deer season. In addition, buck firearms season hunters are required to take an antlerless deer during the antlerless deer firearms season prior to harvesting a second antlered deer during the buck firearms season.** See pages 16-17 for antlerless regulations on WMAs and other public lands.

Counties with a bag limit of three Class N or NN deer in antlerless season

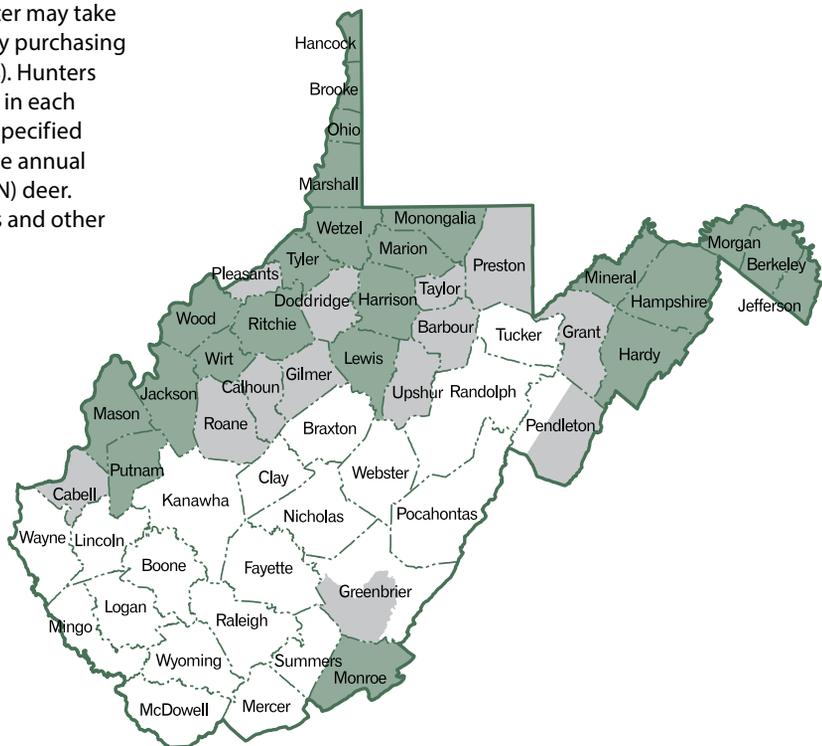

There are 13 counties or parts thereof where a hunter may take three antlerless deer during the antlerless season by purchasing multiple Class N or NN stamps (see pages 13 and 18). Hunters may take up to three antlerless (Class N or NN) deer in each county or part thereof not to exceed the bag limit specified in each county or part thereof and not to exceed the annual statewide bag limit of three antlerless (Class N or NN) deer. See pages 16-17 for antlerless regulations on WMAs and other public lands.

Unlimited Resident and Nonresident with special regulation: bag limit of three

Unlimited Resident and Nonresident: bag limit of three

WEST VIRGINIA CWD CONTAINMENT AREA

See page 12 for special regulations regarding deer carcass transport and baiting and feeding of wildlife within Hampshire and portions of Hardy and Morgan counties.

CONCURRENT HUNTING DURING THE ANTLERLESS DEER SEASON

During antlerless season, concurrent hunting for small game (except during the first three days of the buck firearms season) and bear (where the season is open) is legal; however, no hunter except those legally hunting antlerless deer or bear shall be afield with a firearm with solid ball ammunition or shot shells containing larger than No. 4 shot, except for waterfowl hunters using nontoxic shot.

Concurrent archery hunting for antlered and antlerless deer is legal during the antlerless season subject to all archery deer hunting regulations. All persons hunting during deer firearms seasons (except those engaged in farming activities on their own land and waterfowl hunters) must wear at least 400 square inches of blaze orange as an outer garment.

Concurrent waterfowl hunting is legal (see separate WVDNR Migratory Bird Hunting Regulations publication).

Antlerless Season – DEER

COUNTIES, STATE FORESTS AND/OR WMAS WITH LIMITED RESIDENT AND NONRESIDENT CLASS N OR NN PERMITS, AND UNLIMITED RESIDENT AND NONRESIDENT CLASS N OR NN WITH A BAG LIMIT OF ONE

Counties with a bag limit of one Class N or NN deer in antlerless season

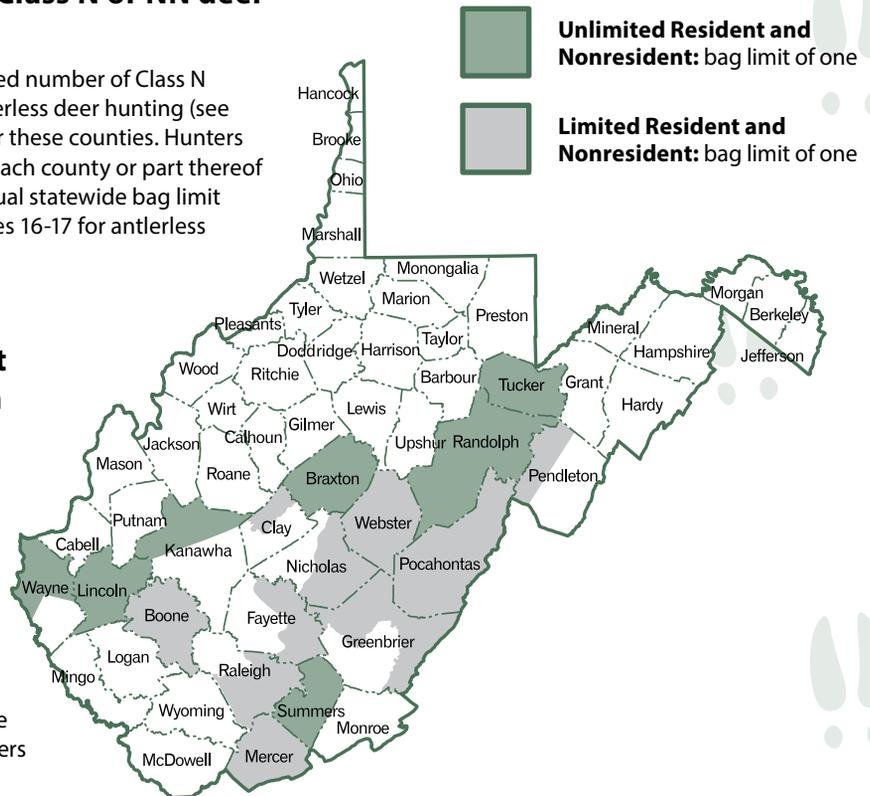

Seven counties or parts thereof have an unlimited number of Class N or NN stamps for resident and nonresident antlerless deer hunting (see pages 14 and 18). No application is necessary for these counties. Hunters may take one antlerless (Class N or NN) deer in each county or part thereof in this group of counties, not to exceed the annual statewide bag limit of three antlerless (Class N or NN) deer. See pages 16-17 for antlerless regulations on WMAs and other public lands.

Counties and public lands with limited resident and nonresident hunting for Class N or NN deer in antlerless season

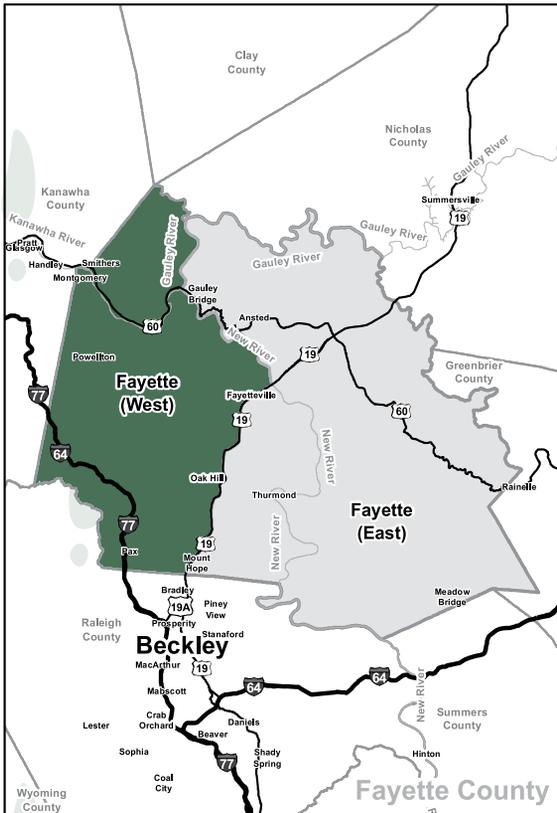

There are 10 counties or portions thereof with resident Class N or nonresident Class NN antlerless deer hunting with prior application in 2013. Seven wildlife management areas (WMAs) and three State Forests (SFs) have a limited number of Class N or Class NN stamps for antlerless deer hunting (see page 18). To be eligible to hunt in one of these counties or on one of these WMAs or SFs, an application must be submitted by August 19, 2013. Resident landowners do not need a permit to hunt on their own land. Successful applicants will receive notification from the DNR by mail. See pages 16-17 for antlerless regulations on WMAs and other public lands.

In limited resident and nonresident antlerless WMAs and State Forests, a hunter may take only one deer in the antlerless season.

To apply, ask your license agent for an antlerless permit application or download one from www.wvdnr.gov.

DEER – Split Counties - Maps/Descriptions

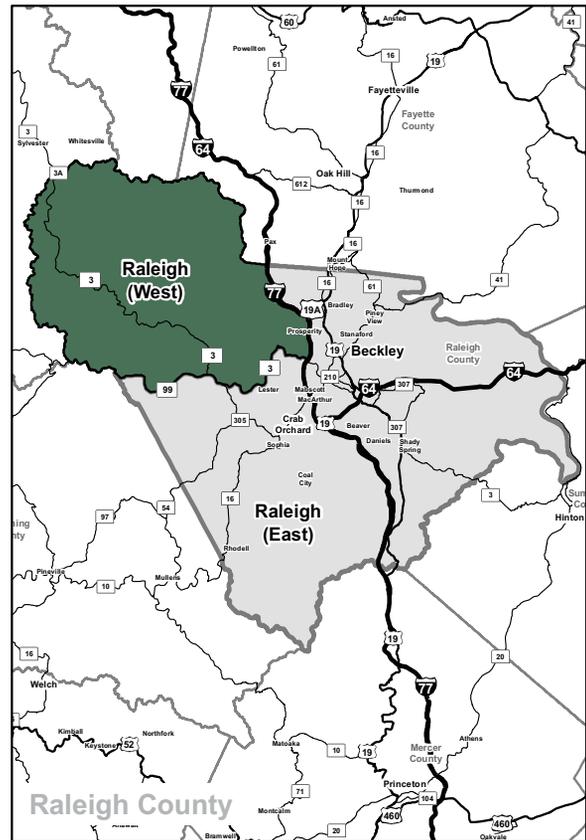

Fayette County

(East/West Division Line) - starting at the Raleigh County line, US Route 19N to New River, then follow New River north to the Gauley River (at Gauley Bridge), then along the Gauley River to the Nicholas County line.

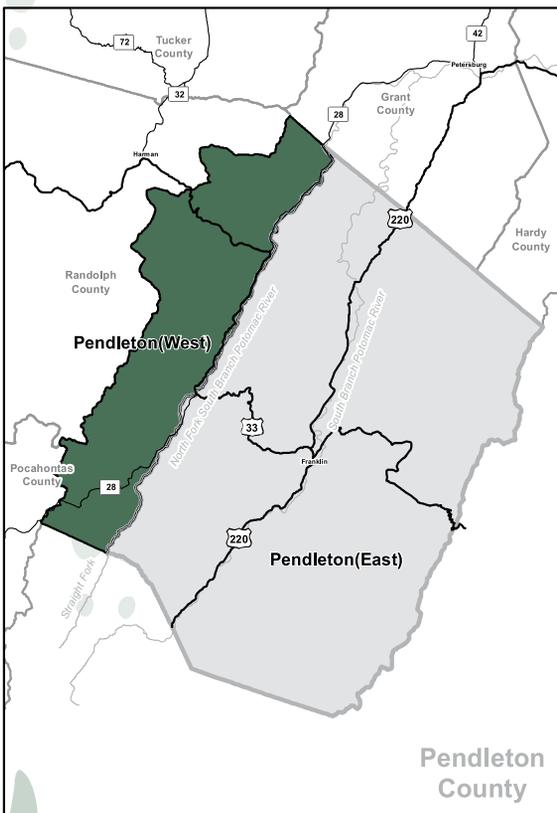

Raleigh County

(East/West Division Line) - starting at the Wyoming County line, SR99E to intersection with SR3 (at Glen Daniel), then SR3E to intersection with I-77/64 (at Beckley), then I-77N to Fayette County line.

Pendleton County

(East/West Division Line) - starting at the WV-VA state line, Straight Fork to junction with the North Fork of the South Branch of the Potomac River, north along the North Fork of the South Branch of the Potomac River to the Grant County line.

DEER – Archery Season

Daily Bag Limit: 2

Opening Date: September 28

Closing Date: December 31

Three deer may be taken with a bow during the archery season. One deer may be taken on one of the following valid base licenses or license combinations: resident license (Class X, Class XJ, Class AHJ, Class AB-L, Class A-L, Class XS, Classes A+CS+BG or Classes AH+CS+BG); or a free license: Military, Disabled Veteran, former POW, Senior Citizen or Class DT; or nonresident license (Classes E+CS/LE+UU, Classes AAH+CS/LE+UU, Classes XXJ+CS/LE, Classes AAHJ+CS/LE or Class DT). Underage residents and resident landowners hunting on their own land (see page 10) may take an archery deer without a license. Up to two additional deer may be taken with Class RB or Class RRB stamps (one per stamp) or on a Class DT license or by resident landowners hunting on their own property. If two deer are taken on Class RB or RRB stamps, or on a Class DT license or by a resident landowner using those privileges one of the two must be an antlerless deer taken in a county open to Class N antlerless hunting. Class DT license holders must be accompanied by a parent, guardian, or with written consent of the parent or guardian or any other competent licensed adult 21 years of age or older.

A hunter may take no more than three antlered deer per calendar year in all archery and firearms seasons combined.

A hunter may harvest two deer per day, but only one antlered deer may be harvested per day. The first deer does not have to be legally checked by a Natural Resources Police officer or at an official checking station prior to harvesting the second deer in the same day. However, all deer legally harvested must be checked by a Natural Resources Police officer or at an official checking station for retagging prior to hunting during a subsequent day.

Deer of either sex may be hunted statewide with a bow during the archery season. A bow, but not a crossbow, may be substituted for a firearm during any deer firearms season except muzzleloader season.

It is illegal to:

- be afield with both gun and bow or with a gun and any arrows, except that persons who have a concealed weapon permit may carry a concealed handgun for self-defense only.
- hunt with a crossbow and/or have a crossbow afield except for the holders of Class Y or YY permits during designated archery seasons. Crossbows must have:
 - » a draw weight of at least 125 pounds.
 - » a working safety.
 - » bolts at least 18 inches long.
 - » broadheads with at least two cutting edges at least $\frac{3}{4}$ inch in width.

- hunt deer with arrows having less than two sharp cutting edges, measuring less than $\frac{3}{4}$ inch in width.
- use a bow-locking device, except with a modified bow permit issued by the Director.
- use an arrow with an explosive, drug-laced or poisoned head or shaft.
- use an electronic call to hunt deer.

ADDITIONAL DEER ARCHERY STAMPS

Class RB and Class RRB

A resident may purchase only two Class RB stamps and a nonresident may purchase only two Class RRB stamps for the archery season. The Class RB or Class RRB archery stamps must be purchased prior to the opening of statewide archery season.

Only one deer may be taken with each Class RB or RRB stamp.

Deer taken on a base license or license stamp combination or Class RB or RRB stamps may be checked in any order.

Class RB or RRB stamps cannot be used for taking deer with a firearm.

Two additional deer may be taken with Class RB or Class RRB stamps, by holders of Class DT licenses or by a resident landowner hunting on their own land during the archery season. If two deer are taken on Class RB or Class RRB stamps, or on a Class DT license, or by a resident landowner using Class RB stamp privileges, one of the two must be an antlerless deer taken in a county open to Class N antlerless hunting.

There are 23 counties (see pages 13, 18 and 20) that require archery deer hunters to take an antlerless deer during the archery deer season prior to harvesting a second antlered deer during the archery deer season.

The annual limit for the four-county area of Logan, McDowell, Mingo and Wyoming counties is two archery deer, one of which must be antlerless. One Class RB or RRB stamp is valid in these counties, except if the first archery deer was taken in a county open to firearms deer hunting, then two deer (one must be antlerless) may be taken on Class RB or RRB stamps or a Class DT license in counties open to firearms deer hunting. The taking of archery antlerless deer during the buck season is legal in these counties.

To take additional archery deer, all residents except holders of Class DT licenses and resident landowners (see page 10) hunting on their own land are required to purchase Class RB stamps. All nonresidents except holders of Class DT licenses are required to purchase Class RRB archery stamps to take additional archery deer (see license requirements on page 11).

CONCURRENT HUNTING DURING DEER ARCHERY SEASON

A bow hunter may take small game at any time the small game season is open, except the first three days of buck season in counties having a buck season.

Archery hunting for antlered and antlerless deer is legal during muzzleloader deer season subject to all archery deer hunting regulations. Additionally, archery hunters must wear a blaze orange outer garment of at least 400 square inches during any deer firearms seasons.

WEST VIRGINIA CWD CONTAINMENT AREA

See page 12 for special regulations regarding deer carcass transport and baiting and feeding of wildlife within Hampshire and portions of Hardy and Morgan Counties.

SPECIAL SEASONS AND RESTRICTIONS

Urban Deer Archery Season

A special archery deer hunting season is available between September 7 – December 31, 2013, to incorporated cities, towns, villages and incorporated homeowner associations. To implement the hunt, homeowner associations must submit a written request to the Director by March 1 of the hunt year. During this special season, seven deer may be taken which may include no more than two antlered bucks and the first deer must be antlerless. Deer taken in the Urban Deer Archery Season shall not apply to the hunters regular archery season bag limit. For information regarding this special archery deer season, contact your local municipal government, homeowner association or the appropriate DNR office.

Older-aged Deer Management Areas

All antlered deer taken during archery season on Beech Fork Lake, Bluestone Lake, Burnsville Lake, and McClintic WMAs and Coopers Rock and Calvin Price State Forests must have a minimum outside antler spread of 14 inches (ear tip to ear tip). The annual bag limit for antlered deer on these areas is one for all seasons combined. It is illegal to bait or feed wildlife on these areas (see page 12).

McClintic and Green Bottom Wildlife Management Area Controlled Waterfowl Hunting Areas

Hunting in the controlled waterfowl hunting area of McClintic and Green Bottom WMAs is restricted to waterfowl hunting during the early segment of the waterfowl season. Refer to the 2013-14 WVDNR Migratory Bird Hunting Regulation available in September for season dates.

It is illegal to:

- be afield with both gun and bow or with a gun and any arrows, except that persons who have a concealed weapon permit may carry a concealed handgun for self-defense only.
- hunt with a crossbow and/or have a crossbow afield except for the holders of Class Y or YY permits during designated archery seasons. Crossbows must have:
 - » a draw weight of at least 125 pounds.
 - » a working safety.
 - » bolts at least 18 inches long.
 - » broadheads with at least two cutting edges at least $\frac{3}{4}$ inch in width.
- hunt deer with arrows having less than two sharp cutting edges, measuring less than $\frac{3}{4}$ -inch in width.
- use a bow-locking device, except with a modified bow permit issued by the Director.
- use an arrow with an explosive, drug-laced or poisoned head or shaft.
- to use an electronic call to hunt deer.

DEER – Buck Season

Daily Bag Limit: 1

Opening Date: November 25

Closing Date: December 7

Only deer having one or both antlers more than 3 inches in length above the hairline are legal during the buck season (see concurrent hunting for antlerless deer during buck season on page 27).

Two deer may be taken with a gun or bow during the buck season. One may be taken on one of the following valid base licenses or license combinations: resident license (Class X, Class XJ, Class AHJ, Class AB-L, Class A-L, Class XS, Classes A+CS or Classes AH+CS); or free license (Military, Disabled Veteran, former POW, Class DT or Senior Citizen); or nonresident license (Classes E+CS/LE, Classes AAH+CS/LE, Classes XXJ+CS/LE, Classes AAHJ+CS/LE or Class DT). Underage residents and resident landowners hunting on their own land (see page 10) may take an antlered deer without a license. An additional deer may only be taken with a Class RG stamp, Class RRG stamp, Class DT license or by resident landowners hunting on their own property. Class DT license holders must be accompanied by a parent, guardian, or with written consent of the parent or guardian, any other competent licensed adult 21 years of age or older.

A hunter may take no more than three antlered deer per calendar year in all archery and firearms seasons combined.

A hunter may take no more than one antlered deer per day.

Legal firearms for hunting deer during the buck season shall include:

- a rifle using centerfire ammunition.
- a rifle using .25 caliber or larger rimfire ammunition.
- a muzzleloading rifle, with or without scope, and muzzleloading pistol of .38 caliber or larger.
- a handgun using a straight-walled case of .357 magnum cartridge or larger or a bottle-necked case of .24 caliber or larger (see page 5). A Class A-1 handgun stamp is required.
- a shotgun loaded with solid ball ammunition.

BUCK COUNTIES

All counties except Logan, McDowell, Mingo and Wyoming are open.

 **Open:** Buck Firearms Season
November 25 – December 7, 2013
(See pages 16-17 for special public land regulations)

 **Closed:** to all firearms deer hunting

ADDITIONAL BUCK SEASON GUN STAMPS

Class RG and Class RRG

During a calendar year, a resident may purchase only one Class RG stamp and a nonresident may purchase only one Class RRG stamp.

Only one deer may be taken with a Class RG or Class RRG stamp. The Class RG and Class RRG stamps must be purchased prior to the opening of buck season. The Class RG and Class RRG stamps are valid for buck hunting in all counties open to buck season.

To take an additional deer, all residents, except resident landowners (see page 10) hunting on their own land or holders of a Class DT license, are required to purchase a Class RG stamp. All nonresidents are required to purchase a Class RRG stamp or possess a Class DT license if they choose to take an additional deer (see license requirements on page 11).

There are 23 counties (see pages 13, 18 and 20) that require buck firearms hunters to take an antlerless deer during the antlerless firearms deer season prior to harvesting a second antlered deer during the buck firearms season.

Deer taken on a base license or license stamp combination or Class RG or RRG stamps may be checked in any order.

CONCURRENT HUNTING DURING BUCK DEER SEASON

Antlerless deer hunting is legal on private land in 51 counties or portions thereof and all public lands having an antlerless season November 25 – December 7, 2013. To hunt antlerless deer during the buck season, a valid Class N or NN stamp or Class DT license is required for all hunters except for resident landowners (see page 10) hunting on their own land. **A hunter may harvest two deer per day, but only one antlered deer may be harvested per day. The first deer does not have to be legally checked by a Natural Resources Police officer or at an official checking station prior to harvesting the second deer in the same day. However, all deer legally harvested must be checked by a Natural Resources Police officer or at an official checking station for retagging prior to hunting during a subsequent day.**

Small game hunting is prohibited during the first three days of buck season in all counties having a buck season; provided, waterfowl hunting is legal on lakes, rivers and waterways during the open waterfowl season, bear hunting is legal in specified counties, and coyote hunting is legal. Small game hunting is legal during open small game seasons beginning November 28, 2013. While hunting small game during the buck season, No. 4 shot or smaller and slugs may be carried with a shotgun only if the hunter is legally hunting deer or bear.

A combination rifle-shotgun (over-under, etc.) is legal for deer hunting and concurrent small game hunting.

After killing the legal daily or season bag limit of deer, a hunter shall not be afield with any firearm with solid ball ammunition (unless legally hunting bear) or shot shells containing larger than No. 4 shot. Waterfowl hunters may use nontoxic shot larger than No. 4.

It is illegal to hunt small game during the buck season with any centerfire, with any rimfire larger than .22 caliber, or with a shotgun using solid ball ammunition or shot larger than No. 4 in a county that is not open to buck season.

Archery hunting for antlered and antlerless deer is legal during buck season subject to all archery deer hunting regulations. A bow may be substituted for a firearm to take antlered deer, or if hunting on a Class N or NN stamp or Class DT license, antlerless deer may be taken during the buck season on private land in specified counties and on specified public lands (see pages 16-18).

All persons hunting during a deer firearms season, except those engaged in farming activities on their own land and waterfowl hunters, must wear at least 400 square inches of blaze orange as an outer garment.

WEST VIRGINIA CWD CONTAINMENT AREA

See page 12 for special regulations regarding deer carcass transport and baiting and feeding of wildlife within Hampshire County and portions of Hardy and Morgan counties.

SPECIAL SEASONS AND RESTRICTIONS

Wilson Cove Deer Study Area and Hillcrest Wildlife Management Area

Wilson Cove Deer Study Area located in Hardy County on the George Washington National Forest and Hillcrest WMA, located in Hancock County will have a deer muzzleloader season November 25 - December 7, 2013. During this period, only single shot muzzleloaders, including "in-lines" of .38 caliber or larger, are legal for deer hunting on these areas. These two areas will not be open to the traditional buck firearms season. All muzzleloader license requirements apply (see pages 10-11, 17 and 28). The annual antlered deer bag limit is one deer for archery and muzzleloader seasons combined.

Older-aged Deer Management Areas

All antlered deer taken on Beech Fork Lake, Bluestone Lake, Burnsville Lake and McClintic WMAs, and Coopers Rock and Calvin Price State Forests must have a minimum outside antler spread of 14 inches (ear tip to ear tip). The annual antlered deer bag limit is one deer for all archery and firearms seasons combined. It is illegal to bait or feed wildlife on these areas (see page 12).

DEER – Muzzleloader Season

Daily Bag Limit: 2

Opening Date: December 9

Closing Date: December 14

Two deer may be taken with a muzzleloader during the muzzleloader season. One may be taken on one of the following valid base licenses or license combinations: resident license (Class X, Class XJ, Class AHJ, Class AB-L, Class A-L, XS, Classes A+CS+BG or Classes AH+CS+BG); or a free license (Military, Disabled Veteran, former POW, Class DT or Senior Citizen); or nonresident license (Classes E+CS/LE+VV, Classes AAH+CS/LE+VV, Classes XXJ+CS/LE, Classes AAHJ+CS/LE or Class DT). Underage residents and resident landowners hunting on their own land (see page 10) may take a muzzleloader deer without a license. An additional muzzleloader deer may only be taken with a Class RM or RRM stamp, a Class DT license or by a resident landowner hunting on his/her own land. Class DT license holders must be accompanied by a parent, guardian, or with written consent of the parent or guardian, or any other competent licensed adult 21 years of age or older.

Muzzleloader hunting for antlered deer is legal in all counties open to buck season. A deer of either sex may be taken with muzzleloaders in all counties or parts thereof open to the Class N season. One additional deer may be taken on a Class RM or RRM stamp or a Class DT license in all counties having the muzzleloader season (see pages 13-15 and 29).

In the muzzleloader season, only single-shot muzzleloaders, including "in-lines" of .38 caliber or larger are legal. Telescopic sights are legal. A firearm that has been converted into a muzzleloader by use of a plug, or a double-barreled or swivel-barreled muzzleloader is illegal for deer hunting during the muzzleloader season.

When being transported in or on a vehicle, muzzleloaders will be considered unloaded: when uncapped; when the priming charge is removed from the pan; or if they have an electronic ignition with the battery removed.

A hunter may take no more than three antlered deer per calendar year in all archery and firearms seasons combined.

A hunter may harvest two deer per day, but only one antlered deer may be harvested per day. The first deer does not have to be legally checked by a Natural Resources Police officer or at an official checking station prior to harvesting the second deer in the same day. However, all deer legally harvested must be checked by a Natural Resources Police officer or at an official checking station for retagging prior to hunting during a subsequent day

USE OF CLASS RM AND CLASS RRM STAMPS AND CLASS DT LICENSES IN THIS MUZZLELOADER SEASON

Only one Class RM or RRM stamp may be used in the muzzleloader season.

Only one deer may be taken with a Class RM or RRM stamp. The Class RM and RRM stamps must be purchased prior to the opening of the muzzleloader season.

To take an additional muzzleloader deer, all residents, except resident landowners (see page 10) hunting on their own land and hunters who possess a Class DT license are required to purchase a Class RM stamp. All nonresidents, except holders of a Class DT license, are required to purchase a Class RRM stamp if they choose to take an additional muzzleloader deer.

Class RM and Class RRM stamps or a Class DT license may be used to take one additional deer in this muzzleloader season in all counties having the muzzleloader season (see page 29). See pages 16-17 for muzzleloader regulations on WMAs and other public lands.

Deer taken on a base license or license stamp combination or Class RM or RRM stamps may be checked in any order.

Class RM, RRM stamps or Class DT licenses may be used to take one antlered deer in all counties having the muzzleloader season OR;

Class RM, RRM stamps or Class DT licenses may be used to take one either-sex deer in the 43 counties or parts thereof having a Class N or NN antlerless season bag limit of one unlimited or three antlerless (Class N) deer (see muzzleloader map page 29). See pages 16-17 for muzzleloader regulations on WMAs and other public lands.

Concurrent waterfowl hunting is legal (see separate WVDNR Migratory Bird Hunting Regulations publication).

Muzzleloader Season – DEER

WEST VIRGINIA CWD CONTAINMENT AREA

See page 12 for special regulations regarding deer carcass transport and baiting and feeding of wildlife within Hampshire and portion of Hardy and Morgan counties.

CONCURRENT HUNTING DURING MUZZLELOADER DEER SEASON

A bow or crossbow cannot be substituted for a muzzleloader during the muzzleloader season. Concurrent archery hunting for antlered and antlerless deer is legal during this muzzleloader season subject to all archery deer hunting regulations.

Concurrent hunting is permitted during this muzzleloader season. It is illegal to be afield with solid-ball ammunition or shot larger than No. 4 during the muzzleloader season except for those persons legally hunting bear, and for waterfowl hunters using nontoxic shot. All persons hunting during deer firearms seasons (except those engaged in farming activities on their own land and waterfowl hunters) must wear at least 400 square inches of blaze orange as an outer garment.

It is legal to hunt small game with .22 caliber or smaller rimfire during this muzzleloader season.

MUZZLELOADER COUNTIES

Logan, McDowell, Mingo, and Wyoming counties are closed to all firearms deer hunting.

-  **Open:** to antlered only muzzleloader hunting on base license and Class RM, RRM stamps or Class DT licenses
-  **Open:** to either sex muzzleloader hunting on base license, and antlered deer only on Class RM, RRM stamps or Class DT licenses
-  **Open:** to either sex muzzleloader hunting on base license and Class RM, RRM stamps and Class DT licenses
-  **Closed:** to all firearms deer hunting

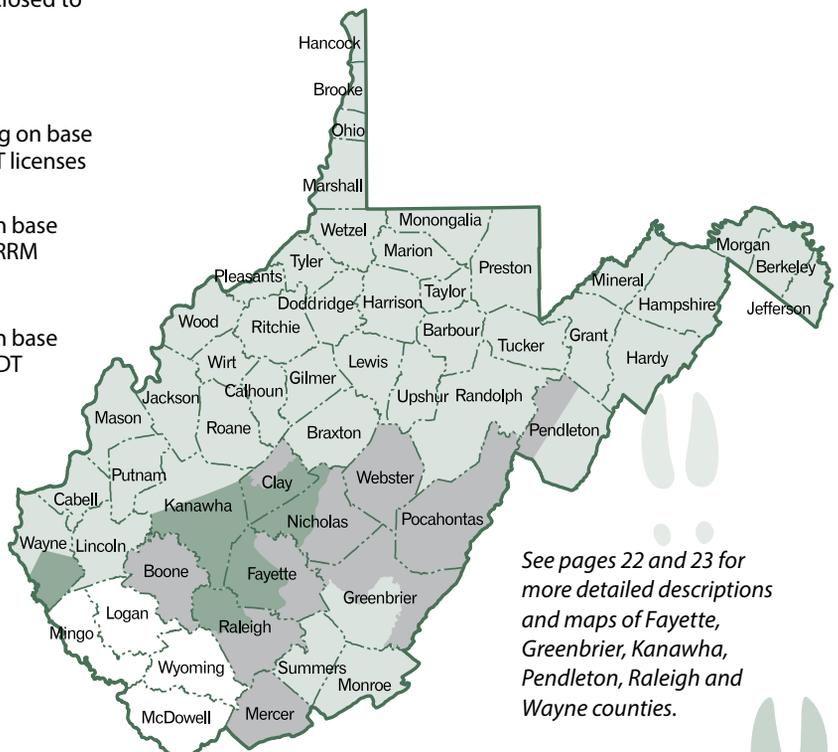

SPECIAL SEASONS AND RESTRICTIONS

Wilson Cove Deer Study Area and Hillcrest Wildlife Management Area

Wilson Cove Deer Study Area, located in Hardy County on the George Washington National Forest, and Hillcrest WMA, located in Hancock County, will have muzzleloader only deer season November 25 – December 7, 2013. During this period, only single shot muzzleloaders, including “in-lines” of .38 caliber or larger are legal for hunting deer on these areas (see page 11). These two areas will not be open to the traditional buck firearms season. All muzzleloader license requirements apply (see page 28). The annual antlered deer bag limit is one for archery and muzzleloader seasons combined (see page 17).

Older-aged Deer Management Areas

All antlered deer taken on Beech Fork Lake, Bluestone Lake, Burnsville Lake and McClintic WMAs and Coopers Rock and Calvin Price State Forests must have a minimum outside antler spread of 14 inches (ear tip to ear tip). The annual antlered deer bag limit is one for archery and firearms seasons combined. It is illegal to bait or feed wildlife on these areas (see page 12).

See pages 22 and 23 for more detailed descriptions and maps of Fayette, Greenbrier, Kanawha, Pendleton, Raleigh and Wayne counties.

DEER – Special Split Youth, Class Q/QQ and Class XS Season

October 19 and December 26-27, 2013: Antlerless Deer Only

Only one antlerless deer may be taken per day.

See page 12 for special regulations for West Virginia Containment Area carcass transport and baiting, and for baiting and feeding wildlife on Older-aged Deer Management Areas.

It is illegal to bait or feed any wildlife on public land between September 1 and December 31 and during the spring gobbler seasons.

The special split antlerless deer season for youth, Class Q/QQ and Class XS hunters will be held on private land in all counties having a firearms deer hunting season and on all public lands within these counties (see pages 34 and 35).

The bag limit of one antlerless deer per day will not count towards the hunter's annual deer season bag limit. A Class N or NN stamp is not required by youth hunters hunting during this special split antlerless season. A Class N stamp is not required by seniors with a Class XS license. Each deer taken must be field tagged (see page 12) and checked at an official game checking station within 24 hours of the close of each portion of this special split season and before hunting an additional deer.

Youth, Class Q/QQ and Class XS season participants and all other hunters hunting on private land or on any of the public lands (see pages 34 and 35) during the special youth, Class Q/QQ and Class XS deer season, with the exception of waterfowl hunters and persons engaged in farming activities on their own land, must wear at least 400 square inches of blaze orange as an outer garment.

Youth hunters:

- must be at least 8 and less than 18 years old; youth hunters age 15-17 must comply with all licensing requirements, but Class N or NN stamp not required (see page 41),
- youth hunters (age 8-14) must be accompanied by a licensed adult, who must also wear 400 square inches of blaze orange, cannot carry a gun or a bow and must remain near enough to the youth to render advice and assistance. **All accompanying adult nonresidents must possess a Class E license + CS/LE stamp.**

and, if a nonresident youth,

- possess Class XXJ license + CS/LE stamp, Class AAHJ + CS/LE stamp or Class DT license.

Senior hunters:

- must be a resident 65 years of age or older and possess a Class XS license.

Class Q or QQ hunters must possess:

if a resident,

- Class Q permit plus one of the following:
 - » Class A license + CS stamp or
 - » Class X, AH, XJ, AHJ, XS, A-L or AB-L license or
 - » Free license (Military, Disabled Veteran, former POW, Senior Citizen, Class DT) or
 - » Be underage (must be accompanied by a licensed adult)

if a nonresident,

- Class QQ permit + Class E license + CS/LE stamp or
- Class QQ permit + Class AAH + CS/LE stamp or
- Class QQ permit + Class XXJ + CS/LE stamp or
- Class QQ permit + Class AAHJ + CS/LE stamp or
- Class QQ permit + Class DT

*YOUTH WATERFOWL SEASON

A youth waterfowl season will be held in late September. See WV Migratory Bird Hunting Regulations available the end of August for details.

*YOUTH TURKEY SEASON APRIL 26, 2014

See page 33.

*YOUTH SQUIRREL SEASON SEPTEMBER 7, 2013

Youth hunters under the age of 15 must be accompanied by a licensed adult. The accompanying adult cannot carry a gun or a bow and must remain near enough to the youth to render advice and assistance. Youth hunters age 15-17 must comply with all licensing requirements (see page 41).

***Class Q/QQ and Class XS license holders not eligible for these youth seasons.**

Questions and Answers – CWD

What is CWD – Chronic Wasting Disease?

CWD is a neurological (brain and nervous system) disease of deer and elk known to occur in limited geographical locations in North America. The disease belongs to a family of diseases known as transmissible spongiform encephalopathy (TSE). These diseases are caused by an abnormal form of a protein called a prion. In deer and elk there is no practical test of live animals to detect CWD, and there is no known treatment or vaccine.

How is it spread?

It is thought that the most common mode of transmission from an infected animal is via saliva, feces, urine and possibly other body secretions. The infectious prion persists in the environment. There is evidence that people moving live infected animals have spread the disease over long distances.

Is it dangerous to humans?

There currently is no convincing evidence that the agent of CWD affects humans. However, public health officials recommend that human exposure to the CWD agent be avoided as they continue to research the disease. This includes not eating meat from known infected animals or animals that appear sick.

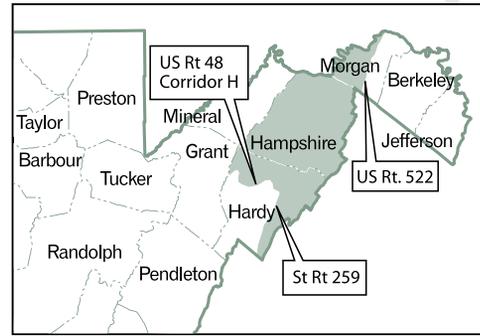

Where has it been found?

As of June 2013, CWD has been detected in free-ranging deer and elk in portions of Colorado, Illinois, Kansas, Maryland, Minnesota, Missouri, Nebraska, New Mexico, New York, North Dakota, Pennsylvania, South Dakota, Texas, Utah, Virginia, West Virginia, Wisconsin, Wyoming, and Alberta and Saskatchewan, Canada. In addition, CWD has been found in captive/farmed elk and white-tailed deer in Colorado, Iowa, Kansas, Michigan, Minnesota, Missouri, Montana, Nebraska, New York, Oklahoma, Pennsylvania, South Dakota, Wisconsin, and Alberta and Saskatchewan, Canada.

In West Virginia, CWD has been found in 133 white-tailed deer. Testing of road-kill deer in all WV counties has been continuous since 2002. The WVDNR, Wildlife Resources Section, in cooperation with the SE Cooperative Wildlife Disease Study at the University of Georgia and the Minnesota Veterinary Diagnostic Laboratory, has tested over 14,432 deer from West Virginia for CWD and as of June 2013, the 131 Hampshire County deer and two Hardy County deer are the only animals found thus far to have the abnormal prion associated with CWD.

What is being done about the discovery of CWD in WV?

The discovery of CWD in Hampshire County, West Virginia, represents a significant threat to the state's white-tailed deer. The disease does not create an immediate widespread die-off of deer, but if allowed to spread, will cause long-term damage to the herd. The DNR is taking action to gather more information on the prevalence and distribution of the disease in the area surrounding all known infected deer. The DNR also discourages supplemental feeding and baiting of deer statewide, bans these practices on public land for a portion of the year, and also bans these practices anytime in Hampshire County, a portion of northern and eastern Hardy County and a portion of Morgan County. In addition there are restrictions on the disposal and transport of deer carcasses from within containment areas in WV (see WV CWD containment area), MD, PA and VA where CWD has been detected. There are no proven solutions to combating CWD once present in free-ranging deer. Thus, future management actions will be adaptive and based on the findings of current and future surveillance.

WEST VIRGINIA Chronic Wasting Disease Containment Area:

Includes all of Hampshire County, that portion of Hardy County north of Corridor H (US Rt. 48) and/or east of State Rt. 259 to the Virginia state line and that portion of Morgan County which lies west of US Rt. 522. It is illegal to bait or feed deer or other wildlife in the "Containment Area" (see baiting and feeding regulations on page 12). Hunters are prohibited from transporting dead cervids (deer, elk, etc.) or their parts beyond the boundary of the containment area except for the following: meat that has been boned out, quarters or other portions of meat with no part of the spinal column or head attached, cleaned hide with no head attached, clean skull plate (no meat or tissue attached) with antlers attached, antlers with no meat or tissue attached, and finished taxidermy mounts. Hunters may transport cervid carcasses that were not killed inside the containment area through the containment area.

What can hunters do?

- If you kill or observe a severely emaciated (very skinny) deer or a deer that is obviously sick, or a deer with an ear tag, contact the WV DNR Wildlife Resources Section office nearest you.
- Do not feed or bait deer. These practices concentrate deer, increase the likelihood of spread of any disease present in the deer herd, and may introduce foreign contaminants via the feed or bait.
- Harvest adequate numbers of antlerless deer to maintain deer populations in balance with natural food supplies. A deer population in balance with available habitat is healthier and better able to fight diseases.
- Use caution using urine based lures in the environment and avoid placing deer lures on the ground or on vegetation where deer can reach them. Placing them out of reach of deer still allows air circulation to disperse the scent.
- If you plan to hunt deer or elk in a state known or suspected to harbor CWD, follow that state's rules on removing animals from the area. Bring back only boned out meat or quarters and thoroughly cleaned skull plates and antlers. This applies to Virginia's CWD containment area and Maryland's and Pennsylvania's CWD disease management areas.
- If you hunt in Hampshire, Hardy, or Morgan counties, see special regulations regarding carcass transport and disposal, and baiting and feeding on page 12. Also, please cooperate with WVDNR requests for information and samples needed for CWD testing.
- If you observe live deer or elk being transported in a truck or trailer, notify your local DNR office as soon as possible. Only boned out meat or quarters and thoroughly cleaned skull plates and antlers of any cervid killed in a fenced enclosure may be transported into the state.

TURKEY – General Regulations

RESIDENT AND NONRESIDENT TURKEY HUNTING LICENSE PRIVILEGES

Three wild turkey may be taken by hunters who possess one of the following valid base licenses or license combinations: resident license (Class X, Class XJ, Class AHJ, Class XS, Class AB-L, Class A-L, Classes A+CS+BG , Classes AH+CS+BG); or a free license (Military, Disabled Veteran, former POW, Class DT or Senior Citizen); or nonresident license (Classes E+CS/LE+WW, Classes AAH+CS/LE+WW, Classes XXJ+CS/LE , Classes AAHJ+CS/LE or Class DT). Class DT license holders must be accompanied by a properly licensed parent, guardian or other designated competent adult 21 years of age or older. Underage residents and resident landowners hunting on their own land (see page 10) may take three turkeys without a license. Two bearded turkeys may be taken in the spring and one either sex turkey in the fall. However, no more than one turkey may be taken in the fall. No more than one turkey may be taken per day.

FIELD TAGGING, CHECKING AND TRANSPORTING

Each person killing a turkey must either attach a completed field tag to the turkey or remain with the turkey and have upon their person a completed field tag before removing the carcass from where it was killed. A person who does not possess a field tag must make one. This tag must bear the hunter's name, address, hunting license number (if required) and the date, time and county of kill. Immediately upon arriving at a residence, camp, hunting lodge, vehicle or vessel the field tag shall be attached to the turkey and must remain on the carcass until it is tagged with an official game checking tag.

The carcass of each turkey shall be delivered to an official game checking station or a Natural Resource Police officer for checking and retagging before it is either skinned or transported beyond the boundaries of the county adjacent to that in which the kill was made and within 72 hours from when it was killed or 24 hours from the close of the respective season, whichever comes first. The checking tag shall remain on the bird until it is dressed for consumption.

No person may transport or possess wildlife killed by another hunter, unless the wildlife or parts thereof are accompanied by a paper tag filled out legibly bearing the signature, address, date of kill, hunting license number (if required) and the official game checking tag number (if required) of the hunter who killed the wildlife. The tag shall also specify the species and quantity of wildlife.

Additional licenses must be purchased:

- to hunt on national forest lands: Class I (required for Class E or Class AAH).
- to hunt with a handgun: Class A-1 (must be age 21 or older, required for all hunters except resident landowners hunting on their own land).

Resident Landowner Privileges:

West Virginia resident landowners (see page 9) may hunt on their own land without obtaining a license.

Resident landowners hunting on their own property without a license can take the same number of turkeys as a licensed hunter. A hunter (licensee or landowner) cannot take more than the number of turkeys allowed in the respective seasons.

Firearms and bows legal for hunting wild turkey:

Wild turkey may be hunted with rifles, handguns, muzzleloaders, shotguns, or bows (see exception for Youth Spring Gobbler Season on page 33).

COMMON VIOLATIONS

Following are the most common violations observed by Natural Resource Police officers during the turkey hunting seasons:

- Hunting over bait
- Hunting without license
- Improper license
- Making false application for license
- Exceeding the limits
- Loaded gun in a vehicle
- Failure to field tag turkey
- Illegal possession of wildlife
- Hunting without permission

REWARD

Reward for information leading to arrest and conviction of person found guilty of:

- illegally killing a turkey - \$200
- hunting turkey over bait - \$100
- willfully destroying a turkey nest or eggs - \$100

Sponsored by: WV Chapter of NWTFF

2013 Fall and 2014 Spring Seasons – TURKEY

2013 FALL TURKEY SEASON REGULATIONS

Season Limit: 1

Only one either sex turkey may be taken during the fall hunting season with either bow or gun.

It is illegal:

- to use electronic calls.
- to hunt with the use of bait.

October 12-19		October 12-19 and October 28 – November 2	October 12-19 and October 28 – November 16

2014 SPRING GOBBLER SEASON REGULATIONS

Season Limit: 2 bearded turkeys

Statewide: April 28 - May 24, 2014

Shooting hours: ½ hour before sunrise to 1 p.m.

It is illegal to:

- have an uncased firearm or a bow in your possession in the woods after 1 p.m.
- hunt with dogs
- use electronic calls
- hunt with the use of bait
- take more than one bearded turkey per day

SPRING GOBBLER SURVEY

The Division of Natural Resources conducts an annual Spring Gobbler Survey. Spring turkey hunters interested in participating in the survey should contact:

Division of Natural Resources Operations Center
 c/o Dr. Randy Tucker
 P.O. Box 67 • Elkins, WV 26241
 (304) 637-0245 • email: Randy.L.Tucker@wv.gov

YOUTH SPRING GOBBLER SEASON

A special one-day youth spring gobbler season will be held on Saturday, April 26, 2014. Class Q/QQ and Class XS license holders are not eligible.

The bag limit is one bearded turkey and the harvested bird will count toward the hunter's annual bag limit. Only shotguns using shot size no larger than #4 or smaller than #7½ are legal.

Youth hunters:

- must be at least 8 and less than 18 years old; youth hunters age 15-17 must comply with all licensing requirements (see pages 41).
- between the ages 8-14 must be accompanied by a licensed adult who cannot carry a gun or a bow and must remain close enough to render advice and assistance.

and, if a nonresident,

- possess a Class XXJ license + CS/LE stamp or Class AAHJ+CS/LE stamp.

Nonresident adults accompanying youth hunters must possess Class E+WW+CS/LE licenses and if hunting on National Forest lands, a Class I stamp.

Primary Game Species:

- B - Black Bear
- D - Deer
- G - Grouse
- H - Snowshoe Hare
- M - Mourning Dove
- R - Rabbit
- S - Squirrel
- T - Turkey
- W - Waterfowl

Public Land:

- SF - State Forest
- NF - National Forest

*Additional Class Q Hunter Access opportunities may be available. Please contact the District Game Biologist in the respective District for additional details.

BEAR – General Regulations

Daily Bag Limit: 1

RESIDENT AND NONRESIDENT BEAR HUNTING LICENSE PRIVILEGES

Two black bear may be taken during the archery season or firearms season, or one each in the archery and firearms seasons combined provided that at least **one bear must be taken in Boone, Fayette, Kanawha, Logan, McDowell, Mingo, Raleigh or Wyoming counties**. No person may take more than one bear per day.

To hunt black bear, hunters must possess one of the following valid license combinations: resident license (Classes X+DS, Classes XJ+DS, Classes AHJ+DS, Class XS, Classes AB-L+DS, Classes A-L+DS, Classes A+CS+DS+BG or Classes AH+CS+DS+BG); or a free license (Military, Disabled Veteran, former POW, Senior Citizen or Class DT); or nonresident license (Classes EE+DS+CS/LE or Class DT). Underage residents and resident landowners (see page 9) hunting on their own land may hunt bear without a license. Class DT license holders must be accompanied by a parent, guardian or, with written consent of the parent or guardian, any other competent licensed adult 21 years of age or older.

Additional licenses must be purchased:

- to hunt on National Forest lands: Class I (required for Class EE)
- to hunt with a handgun: Class A-1 (must be 21 or older, required for all hunters except resident landowners)

PENALTIES FOR CHAPTER 20 BEAR LAW VIOLATIONS

These penalties are not subject to suspension by the court.

First Offense

\$1,000 to \$5,000 fine or 30 to 100 days in jail, or both. Also includes suspension of hunting and fishing licenses for two years.

Second Offense

\$2,000 to \$7,000 fine or 30 days to one year in jail, or both. Also includes suspension of hunting and fishing licenses for life.

Third Offense

FELONY - \$5,000 to \$10,000 fine or one to five years in prison, or both.

It is illegal to:

- hunt bears with the use of bait.
- bait or feed bears at any time.
- hunt a bear with:
 - » a shotgun using ammunition loaded with more than one solid ball.
 - » a rifle of less than .25 caliber using rimfire ammunition.
 - » a pistol or revolver using a straight-walled case of less than .357 magnum cartridge or a bottlenecked case of less than .24 caliber.
 - » a muzzleloading pistol of less than .38 caliber.
 - » a crossbow, except for the holder of a Class Y or YY permit during designated archery season. Crossbows must have:
 - a draw weight of at least 125 pounds.
 - a working safety.
 - bolts at least 18 inches long.
 - broadheads with at least two cutting edges at least $\frac{3}{4}$ inch in width.
 - » arrows having less than two sharp cutting edges, measuring less than $\frac{3}{4}$ inch in width.
- use a bow-locking device, except with a modified bow permit issued by the Director.
- use an arrow with an explosive, drug-laced or poisoned head or shaft.
- hunt bear between $\frac{1}{2}$ hour after sunset and $\frac{1}{2}$ hour before sunrise.
- kill or attempt to kill any bear through the use of poison, explosives, snares, steel traps or deadfalls.
- **shoot at or kill a bear weighing less than 75 pounds live weight or 50 pounds field dressed weight or to kill any bear accompanied by a cub or to kill any cub accompanied by another bear, regardless of its weight.**
- pursue a bear, after the chase has begun, with dogs not in use at the beginning of the hunt.
- kill more than one bear per day or more than two bears per year.
- organize for commercial purposes, or to professionally outfit a bear hunt, or to give or receive any consideration whatsoever or any donation in money, goods or services in connection with a bear hunt.
- for nonresidents to hunt bear with dogs, except in certain designated counties during the bear gun season (see page 39).
- use an electronic call.

General Regulations – BEAR

FIELD TAGGING, CHECKING AND TRANSPORTING

Each person killing a bear must attach a completed field tag to the bear or remain with the bear and have upon their person a completed field tag before moving the carcass from where it was killed. A person who does not have a tag must make one. This tag must bear the hunter's name, address, hunting license number (if required) and the date, time and county of kill. Immediately upon arriving at a residence, camp, hunting lodge, vehicle or vessel, the field tag shall be attached to the bear and must remain on the carcass until it is tagged with an official game checking tag.

A person killing a bear must, within 24 hours after the kill, transport the bear or its fresh skin to a Natural Resource Police officer or an official game checking station for retagging. A checking tag must be affixed to the bear before any part of it may be transported more than 75 miles from the point of kill, and shall remain on the skin until it is tanned or mounted.

No person may transport or possess wildlife killed by another hunter, unless the wildlife or parts thereof is accompanied by a paper tag filled out legibly bearing the signature, address, date of kill, hunting license number (if required) and the official game checking tag number (if required) of the hunter who killed the wildlife. The tag shall also specify the species and quantity of wildlife.

DOG TRAINING

The same licenses required for bear hunting are required for the training of dogs on bear.

Training for nonresidents is permitted during any open small game season.

- It is unlawful for a person to permit a dog owned by him or under his control to chase, pursue or follow upon the track of any deer or wild turkey.
- Residents may train dogs on bear on private land with the landowner's written permission, or on public lands, at any time. Prohibitions on Sunday hunting apply to dog training.
- Persons training dogs may not have firearms or other implements for the taking of wildlife in their possession during closed seasons on wild animals and birds.
- A person may not be guilty of hunting without permission just because their dog, without their direction or encouragement, travels onto another person's land where they do not have permission to hunt, providing no game is taken, livestock or domestic animals killed or damage done to that property. Dogs may not be retrieved without the landowner's permission.
- No person other than the owner of a registered dog may remove a tag, collar or other identifying apparel, nor remove or turn off a radio transmitting collar without the permission of the owner, unless it is necessary to prevent or treat an injury to the dog or is done by a law-enforcement officer for law enforcement purposes.

BEAR TOOTH COLLECTION

The DNR is currently studying factors related to the productivity and mortality of black bears in West Virginia. As part of this research effort, radio collars, ear tags and lip tattoos have been placed on a number of bears. Anyone observing a bear wearing a radio collar or ear tag is asked to report the number of the tag (if obtainable) to the DNR. Hunters who harvest a bear with a radio collar and/or ear tag should return this equipment to the DNR.

Successful bear hunters can contribute to this research effort by either pulling or allowing a small tooth or two to be pulled and submitted to the bear project. Hunters pulling a bear tooth should refer to the accompanying diagram.

Use a screwdriver to pry out the small teeth located just in back of the large canines as shown. This is difficult to do without breaking the roots, so work slowly.

Each tooth pulled should be taped to an index card, placed in a small envelope and labeled with the hunters name, county of kill, bear weight, sex and check tag number and dropped off at an official game checking station or mailed to the DNR at: Elkins Operation Center, PO Box 67, Elkins, WV 26241. After processing the tooth, the DNR will provide you with the age of the animal. If you do not collect a tooth, please contact the appropriate District DNR office to make arrangements for a tooth to be collected prior to processing the bear or disposing of the skull.

A tagged bear may have been tranquilized. Please contact the District Wildlife Biologist prior to consumption of meat.

BEAR – Archery Season

Daily Bag Limit: 1

Statewide Split Season: Sept. 28, 2013 – Nov. 23, 2013 and Dec. 9-31, 2013

BEAR REPRODUCTIVE TRACT COLLECTION

WV Wildlife Biologists are continuing to collect female bear reproductive tracts. Information from these tracts, as well as a premolar tooth from each bear, will reveal such data as breeding ages of females, number of cubs produced, age structure of the female population and reproductive success. Please help us obtain as much information as possible by following the outlined procedures. You may call any District DNR office or the Elkins Operations Center for assistance.

District 1: (304) 825-6787

District 2: (304) 822-3551

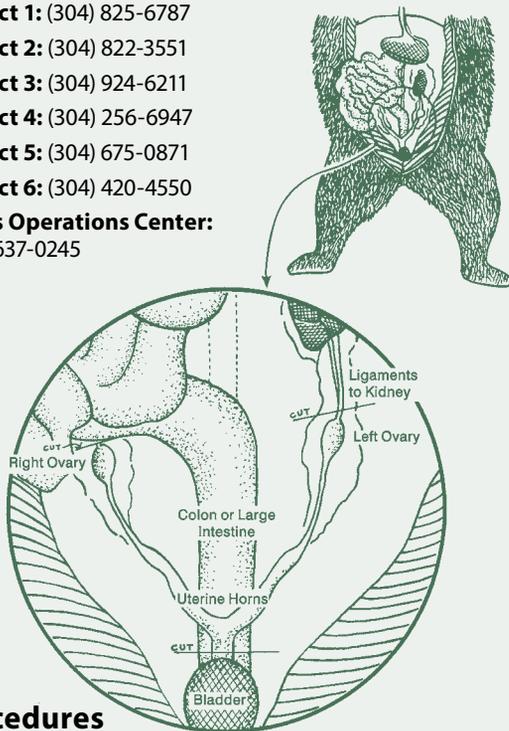

District 3: (304) 924-6211

District 4: (304) 256-6947

District 5: (304) 675-0871

District 6: (304) 420-4550

Elkins Operations Center:
(304) 637-0245

Procedures

1. Open bear abdominal cavity.
2. Move intestines aside.
3. Locate bladder.
4. Note uterus under bladder, over large intestine.
5. Remove uterus and ovaries by cutting as outlined in the above diagram. Be certain to get both ovaries which are each about the size of an acorn. They may be buried in large amounts of fat.
6. Put in plastic bag and place in cool location (in refrigerator if available), and notify DNR personnel.
7. If scales are available, weigh the bear.

Two bears may be taken with a bow during the bear archery season or one each in the archery and firearms seasons combined, provided at least **one bear must be taken in Boone, Fayette, Kanawha, Logan, McDowell, Mingo, Raleigh or Wyoming counties. Only one bear may be taken per day. No person may take more than two bears annually during the archery and firearms seasons combined.**

The use of dogs for bear hunting is illegal during the bear archery season. A bow may be substituted for a firearm during the bear firearms season while hunting with dogs in counties where hunting with dogs is legal (see top right of page 39).

Bear hunters are required to wear at least 400 square inches of blaze orange over his or her outer clothing while hunting in a county or part thereof open during a deer firearms season. This does not apply to waterfowl hunters and persons engaged in farming activities on their own land.

Firearms Season – BEAR

Daily Bag Limit: 1

Two bears may be taken during the bear firearms season provided that at least **one bear must be taken in Boone, Fayette, Kanawha, Logan, McDowell, Mingo, Raleigh or Wyoming counties.** Only one bear may be taken per day. No person may take more than two bears annually in archery and firearms seasons combined.

A bow, but not a crossbow, may be substituted for a firearm during bear firearms season.

Bear hunters are required to wear at least 400 square inches of blaze orange over his or her outer clothing while hunting in a county or part thereof during a deer firearms season. This does not apply to waterfowl hunters and persons engaged in farming activities on their own land.

May Hunt Bear With Or Without Dogs

SPECIAL SEASONS AND RESTRICTIONS

**Nathaniel Mountain and Short Mountain WMAs

A special controlled Black Bear season will be open December 9-31, 2013 on Nathaniel Mountain and Short Mountain WMAs in Hampshire County. Hunters who use dogs must apply for a permit between October 1-31, 2013 (permit applications and instructions will be available on-line at www.wvdnr.gov or at DNR District offices during this period) which will allow for one party of no more than four hunters and eight dogs to hunt on one of the WMAs for a selected two-day period. Hunters who hunt without dogs may participate in bear hunting on the WMAs during this season without having a special permit.

May NOT Hunt Bear With Dogs

November 25 – December 7 <i>By Permit Only*</i> <i>(Private Land Only)</i>	December 9-31	November 25 – December 7 and December 9-31	November 25 – December 7

*Counties (private land only) with limited resident and nonresident hunting for bear during the Buck Firearms Season

There are 19 counties with resident and nonresident bear hunting during the Buck Firearm Season on private land only with prior application in 2013. To be eligible to hunt in one of these counties an application must be submitted by August 19, 2013. Resident landowners do not need a permit to hunt on their own land. Successful applicants will receive notification from the DNR by mail.

To apply, ask your license agent for a bear permit application or download one from www.wvdnr.gov.

BOAR – 2013 Archery and Firearms Seasons

Season Limit: 1 Archery: October 12 – December 31 Firearms: October 26 – November 2

BOAR HUNTING LICENSE PRIVILEGES

Residents Only – No Application Required

To hunt wild boar, hunters must possess one of the following base licenses or license combinations: Class X, Class XJ, Class AHJ, Class XS, Class AB-L, Class A-L or Classes A+BG+CS Classes AH+BG+CS or a free license (Military, Disabled Veteran, former POW, Senior Citizen or Class DT). Underage residents and resident landowners hunting on their own land may hunt wild boar without a license. Holders of Class DT licenses must be accompanied by a parent, guardian, or with written consent of the parent or guardian, or any other competent licensed adult 21 years of age or older.

REGULATIONS

Shooting hours: ½ hour before sunrise to ½ hour after sunset.

Wild boar may be taken during wild boar seasons with a bow (or a crossbow for the holder of a Class Y permit during archery season) or with firearms legal in West Virginia for taking deer (see page 11).

Use of dogs and/or bait is prohibited.

Use of electronic calls is prohibited.

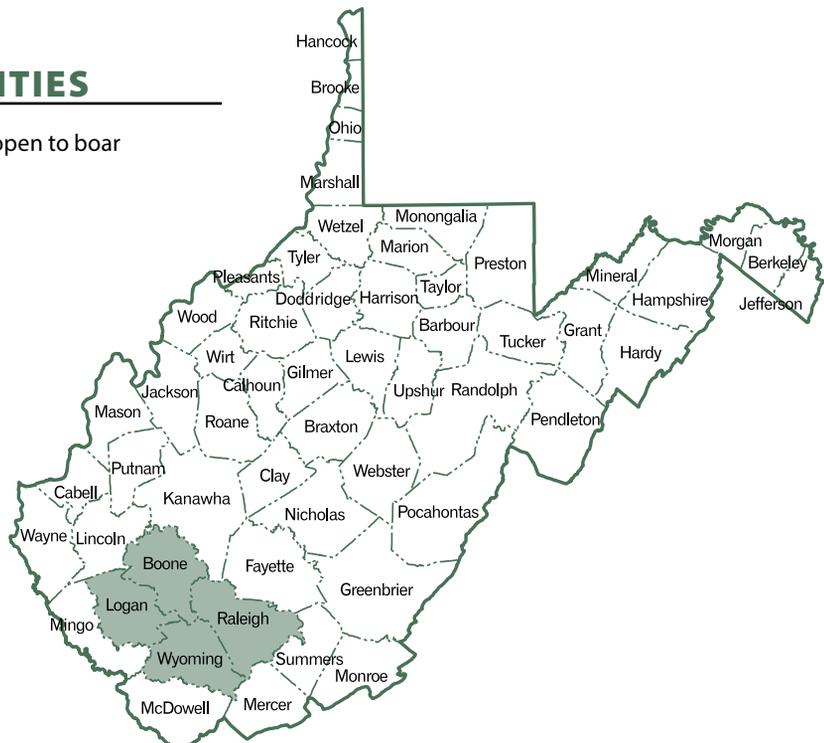

Only one wild boar may be taken per year.

WILD BOAR SEASONS COUNTIES

Boone, Logan, Raleigh and Wyoming counties are open to boar archery and firearms seasons.

 **Archery:** October 12 – December 31
Firearms: October 26 – November 2

 **Closed:** to all boar hunting

CONCURRENT HUNTING

Concurrent hunting of small game, using a shotgun or a bow, is permitted during wild boar seasons. Concurrent hunting of deer and bear, in counties where legal, is permitted during boar seasons.

Boar hunters are required to wear at least 400 square inches of blaze orange over his or her outer clothing while hunting in a county or part thereof open during a deer firearms season. This does not apply to waterfowl hunters and persons engaged in farming activities on their own land.

FIELD TAGGING AND CHECKING

Each person killing a boar must attach a completed field tag to the boar or remain with the boar and have upon their person a completed field tag before moving the carcass from where it was killed. A person who does not have a tag must make one. This tag must bear the hunter's name, address, hunting license number (if required) and the date, time and county of kill. Immediately upon arriving at a residence, camp, hunting lodge, vehicle or vessel the field tag shall be attached to the boar and must remain on the carcass until it is tagged with an official game checking tag.

All boar killed must be taken to an official game checking station or a Natural Resource Police officer in the county of kill within 24 hours for retagging. The game checking tag shall remain on the boar until it is dressed for consumption.

*Free Licenses include: Active Military, Senior Citizen (those who have attained the age of 65 prior to January 1, 2012), former POW, Disabled Veteran and underage.

Handgun hunting also requires Class A-1 License. *Class XS required for those who have attained the age of 65 on or after January 1, 2012 to hunt, trap or fish. See page 42 for complete license information. For Class DT license information, see page 10.

PURCHASING A LICENSE IN 2013-2014

Licenses may be obtained as follows:

- At more than 350 retail agent locations throughout the state and designated county clerks offices (\$3 issuing fee for first purchase and \$1 for subsequent purchases).
- www.wvhunt.com**
(Official WVDNR Web site – \$2 fee per transaction)
- Directly from the Hunting and Fishing License Unit by phoning (304) 558-2758 (\$2 fee per transaction).

For additional information contact:

Hunting and Fishing License Unit
West Virginia Division of Natural Resources
324 4th Avenue
South Charleston, West Virginia 25303
(304) 558-2758
wvdnrcustomerservice@wv.gov

RESIDENTS

Under the age of 15

may hunt or trap without a license when accompanied by a licensed adult who remains in a position near enough to render advice and assistance.

Licenses required:

- to hunt antlerless deer: Class N
- to hunt additional deer: Class RG (buck), RM (muzzleloader), RB (archery)

65 years of age or older, who have attained that age prior to January 1, 2012

must carry a WV driver's license or photo ID card issued by the DMV to hunt, trap or fish.

Licenses required:

- to hunt antlerless deer: Class N
- to hunt additional deer: Class RG (buck), RM (muzzleloader), RB (archery)
- to hunt with a handgun: Class A-1
- Federal Migratory Waterfowl Stamp
- to hunt waterfowl or migratory birds: free HIP card

65 years of age or older, who have attained that age on or after January 1, 2012

Licenses required:

- to hunt or trap: Class XS
- to hunt antlerless deer: Class N*
- to hunt additional deer: Class RG (buck), RM (muzzleloader), RB (archery)
- to hunt with a handgun: Class A-1
- Federal Migratory Waterfowl Stamp
- to hunt waterfowl or migratory birds: free HIP card

* Not required during the Special Split Youth, Class Q/QQ and Class XS antlerless deer season, see page 30

LICENSES – 2013-2014 Hunting and Trapping Fees

Hunting, trapping and fishing licenses are good for the calendar year. You must buy new licenses at the beginning of each year.
All licensed hunters must carry a valid form of ID while hunting/trapping.

RESIDENT LICENSES

Conservation Stamp (Class CS):	\$5
Required for all licensed hunters and anglers except holders of Class X, XS, XJ, AHJ, A-L, B-L and AB-L licenses	
Hunting and Trapping License (Class A):	\$19
Apprentice Hunting and Trapping License (Class AH):	\$19
Same privileges as Class A, but completion of hunter safety course not required (see page 7)	
Sportsman Hunting/Trapping/Fishing License (Class X): ...	\$35
For ages 18 through 64. Includes privileges of Conservation Stamp, Class A, B and BG licenses	
Junior Sportsman Hunting/Trapping/Fishing License (Class XJ):	\$16
Similar to Class X, but for ages 15-17	
Apprentice Junior Hunting/Trapping/Fishing License (Class AHJ):	\$16
Same privileges as Class XJ, for ages 15-17 and completion of hunter safety course not required (see page 7)	
Antlerless Deer Hunting Stamp (Class N):	\$10
Must be accompanied by a Class A, AH, AHJ, A-L, AB-L, X, XS, XJ or free license	
Additional Archery Deer Hunting Stamp (Class RB):	\$21
Must be accompanied by a Class A+BG, AH+BG, AHJ, A-L, AB-L, X, XS, XJ or free license	
Additional Firearms Deer Hunting Stamp (Class RG):	\$21
Must be accompanied by a Class A, AH, AHJ, A-L, AB-L, X, XS, XJ or free license	
Additional Muzzleloader Deer Hunting Stamp (Class RM):	\$16
Must be accompanied by a Class A+BG, AH+BG, AHJ, A-L, AB-L, X, XS, XJ or free license	
Resident Big Game Stamp (Class BG):	\$10
Required of Class A or AH license holders to hunt deer during the archery and muzzleloader deer seasons, and to hunt bear (must also have Class DS), wild turkey and wild boar	

LIFETIME LICENSES

Resident lifetime hunting, trapping and fishing licenses serve in lieu of the equivalent annual license; applications are available at Division of Natural Resources offices and all license agents.

Combination Hunting, Trapping and Fishing (Class AB-L):	\$805
Combination Hunting, Trapping and Fishing - Infant (Class AB-L-I)*:	\$402.50
Hunting and Trapping (Class A-L):	\$782
Hunting and Trapping - Infant (Class A-L-I)*:	\$391
Senior Hunting/Trapping/Fishing License (Class XS)	\$25
<i>Required for resident hunters and anglers who have reached 65 years of age on or after January 1, 2012, except holders of Class A-L and AB-L licenses.</i>	
Small Arms Hunting (Class A-1-L):	\$75

Class BG License and Conservation Stamp not required with the Class AB-L, A-L, A-L-I, AB-L-I and XS Lifetime Licenses.

*Must be purchased prior to infant's second birthday.
