## January 2012 - Newsletter

*We would like to welcome every back from the holidays and a new year. We just wanted to let everyone know about some of our upcoming events and opportunities.*

**Upcoming Training (2012):  
February 22-23  
Cacapon Resort State Park-  
Berkeley Springs  
(Deadline to Register February 1<sup>st</sup>).**

Due to the hands-on training involved in Basic Archery Instructor (BAI) certification, classroom size will be limited to the first 25 teachers registered. So, if you are interested in getting your school involved in the Archery in the Schools (AIS) Program, you need to register for training before these classes are full.

Please note this training costs \$25 for all school employees and \$50 for non-school employees. This fee is paid to WV DNR – Archery in the Schools Program (via check, money order, or exact currency only) during the first morning of the training. Teachers are responsible for their lodging, travel and meals.

**Because schools often need more than one instructor, currently certified instructors are encouraged to alert other interested individuals about this training.**

Also, because schools interested in participating in the upcoming state tournament must have a registered instructor, schools are encouraged to register one or more teachers for this training. **To register for this training**

**please contact Krista Snodgrass** at (304) 558-2771 or [Krista.R.Snodgrass@wv.gov](mailto:Krista.R.Snodgrass@wv.gov).

### ***Interested in hosting a training?***

Please let us know if you are interested in hosting a training. We're pretty flexible and can move anywhere in the state, but you'll need a minimum of 15 PE teachers and/or coaches.

Those wishing to host a training must ensure an adequately-sized facility is available, adequately staffed, open to us for a 3-day period (during the week), and is free of charge. Also, they must fill out the BAI Attendee Enrollment Form (Excel Spreadsheet on our website) and send this to the program coordinator as an email attachment. This form has cells for contact information (name, school, position, school and home telephone numbers, home mailing address, and school and home e-mail addresses) needed to start registering attendees.
