

Beyond BOW: Women's Fly Fishing Weekend.
May 7-9, 2004

Have you taken the fly fishing classes offered at our weekend workshops and would like to have a whole weekend devoted to fly fishing?

If so, the Women's Fly Fishing Weekend May 7-9, 2004 is just for you. We will have room for eight participants to stay in a large modern cabin at Watoga State Park. Four instructors have been lined out to give advanced instruction and guidance.

To cover the lodging at the park, each participant must pay a \$55 registration fee. This fee does not cover food, so you make your own arrangements for food. A participant list can be provided so that you can make arrangements with your fellow anglers!

Please complete the information below and return by April 30, 2004.
