RESIDENT AND NONRESIDENT TURKEY HUNTING LICENSE PRIVILEGES

Three wild turkey may be taken by hunters who possess one of the following valid base licenses or license combinations: resident license (Class X, XJ, AHJ {beginning January 1, 2013}, XS, AB-L, A-L, Classes A+CS+BG, Classes AH+CS+BG {beginning January 1, 2013}); or a free license (Military, Disabled Veteran, former POW, Class DT or Senior Citizen); or nonresident license (Classes E+CS/LE+WW, Classes AAH+CS/LE+WW {beginning January 1, 2013}, Classes XXJ+CS/LE, Classes AAHJ+CS/LE {beginning January 1, 2013} or Class DT). Class DT license holders must be accompanied by a properly licensed parent, guardian or other designated competent adult 21 years of age or older. Underage residents and resident landowners hunting on their own land (see page 9) may take three turkeys without a license. Two bearded turkeys may be taken in the spring and one either sex turkey in the fall. However, no more than one turkey may be taken in the fall. No more than one turkey may be taken per day.

FIELD TAGGING, CHECKING AND TRANSPORTING

Each person killing a turkey must either attach a completed field tag to the turkey or remain with the turkey and have upon their person a completed field tag before removing the carcass from where it was killed. A person who does not possess a field tag must make one. This tag must bear the hunter's name, address, hunting license number (if required) and the date, time and county of kill. Immediately upon arriving at a residence, camp, hunting lodge, vehicle or vessel the field tag shall be attached to the turkey and must remain on the carcass until it is tagged with an official game checking tag.

The carcass of each turkey shall be delivered to an official game checking station or a Natural Resource Police officer for checking and retagging before it is either skinned or transported beyond the boundaries of the county adjacent to that in which the kill was made and within 72 hours from when it was killed or 24 hours from the close of the respective season, whichever comes first. The checking tag shall remain on the bird until it is dressed for consumption.

No person may transport or possess wildlife killed by another hunter, unless the wildlife or parts thereof are accompanied by a paper tag filled out legibly bearing the signature, address, date of kill, hunting license number (if required) and the official game checking tag number (if required) of the hunter who killed the wildlife. The tag shall also specify the species and quantity of wildlife.

Additional licenses must be purchased:

- to hunt on national forest lands: Class I (required for Class E or Class AAH { beginning January 1, 2013}).
- to hunt with a handgun: Class A-1 (must be age 21 or older, required for all hunters except resident landowners hunting on their own land).

Resident Landowner Privileges:

West Virginia resident landowners (see page 9) may hunt on their own land without obtaining a license.

Resident landowners hunting on their own property without a license can take the same number of turkeys as a licensed hunter. A hunter (licensee or landowner) cannot take more than the number of turkeys allowed in the respective seasons.
