

BEAR – General Regulations

Daily Bag Limit: 1

RESIDENT AND NONRESIDENT BEAR HUNTING LICENSE PRIVILEGES

Two black bear may be taken during the archery season or firearms season, or one each in the archery and firearms seasons combined provided that at least **one bear must be taken in Boone, Fayette, Kanawha, Logan, McDowell, Mingo, Raleigh or Wyoming counties**. No person may take more than one bear per day.

To hunt black bear, hunters must possess one of the following valid license combinations: resident license (Classes X+DS, Classes XJ+DS, Classes AHJ+DS, Class XS, Classes AB-L+DS, Classes A-L+DS, Classes A+CS+DS+BG or Classes AH+CS+DS+BG); or a free license (Military, Disabled Veteran, former POW, Senior Citizen or Class DT); or nonresident license (Classes EE+DS+CS/LE or Class DT). Underage residents and resident landowners (see page 9) hunting on their own land may hunt bear without a license. Class DT license holders must be accompanied by a parent, guardian or, with written consent of the parent or guardian, any other competent licensed adult 21 years of age or older.

Additional licenses must be purchased:

- to hunt on National Forest lands: Class I (required for Class EE)
- to hunt with a handgun: Class A-1 (must be 21 or older, required for all hunters except resident landowners)

PENALTIES FOR CHAPTER 20 BEAR LAW VIOLATIONS

These penalties are not subject to suspension by the court.

- use an electronic call.

General Regulations – BEAR

FIELD TAGGING, CHECKING AND TRANSPORTING

Each person killing a bear must attach a completed field tag to the bear or remain with the bear and have upon their person a completed field tag before moving the carcass from where it was killed. A person who does not have a tag must make one. This tag must bear the hunter's name, address, hunting license number (if required) and the date, time and county of kill. Immediately upon arriving at a residence, camp, hunting lodge, vehicle or vessel, the field tag shall be attached to the bear and must remain on the carcass until it is tagged with an official game checking tag.

A person killing a bear must, within 24 hours after the kill, transport the bear or its fresh skin to a Natural Resource Police officer or an official game checking station for retagging. A checking tag must be affixed to the bear before any part of it may be transported more than 75 miles from the point of kill, and shall remain on the skin until it is tanned or mounted.

No person may transport or possess wildlife killed by another hunter, unless the wildlife or parts thereof is accompanied by a paper tag filled out legibly bearing the signature, address, date of kill, hunting license number (if required) and the official game checking tag number (if required) of the hunter who killed the wildlife. The tag shall also specify the species and quantity of wildlife.

DOG TRAINING

The same licenses required for bear hunting are required for the training of dogs on bear.

Training for nonresidents is permitted during any open small game season.

- It is unlawful for a person to permit a dog owned by him or under his control to chase, pursue or follow upon the track of any deer or wild turkey.
- Residents may train dogs on bear on private land with the landowner's written permission, or on public lands, at any time. Prohibitions on Sunday hunting apply to dog training.
- Persons training dogs may not have firearms or other implements for the taking of wildlife in their possession during closed seasons on wild animals and birds.
- A person may not be guilty of hunting without permission just because their dog, without their direction or encouragement, travels onto another person's land where they do not have permission to hunt, providing no game is taken, livestock or domestic animals killed or damage done to that property. Dogs may not be retrieved without the landowner's permission.
- No person other than the owner of a registered dog may remove a tag, collar or other identifying apparel, nor remove or turn off a radio transmitting collar without the permission of the owner, unless it is necessary to prevent or treat an injury to the dog or is done by a law-enforcement officer for law enforcement purposes.

BEAR TOOTH COLLECTION

The DNR is currently studying factors related to the productivity and mortality of black bears in West Virginia. As part of this research effort, radio collars, ear tags and lip tattoos have been placed on a number of bears. Anyone observing a bear wearing a radio collar or ear tag is asked to report the number of the tag (if obtainable) to the DNR. Hunters who harvest a bear with a radio collar and/or ear tag should return this equipment to the DNR.

Successful bear hunters can contribute to this research effort by either pulling or allowing a small tooth or two to be pulled and submitted to the bear project. Hunters pulling a bear tooth should refer to the accompanying diagram.

Use a screwdriver to pry out the small teeth located just in back of the large canines as shown. This is difficult to do without breaking the roots, so work slowly.

Each tooth pulled should be taped to an index card, placed in a small envelope and labeled with the hunters name, county of kill, bear weight, sex and check tag number and dropped off at an official game checking station or mailed to the DNR at: Elkins Operation Center, PO Box 67, Elkins, WV 26241. After processing the tooth, the DNR will provide you with the age of the animal. If you do not collect a tooth, please contact the appropriate District DNR office to make arrangements for a tooth to be collected prior to processing the bear or disposing of the skull.

A tagged bear may have been tranquilized. Please contact the District Wildlife Biologist prior to consumption of meat.

BEAR – Archery Season

Daily Bag Limit: 1

Statewide Split Season: Sept. 28, 2013 – Nov. 23, 2013 and Dec. 9-31, 2013

BEAR REPRODUCTIVE TRACT COLLECTION

WV Wildlife Biologists are continuing to collect female bear reproductive tracts. Information from these tracts, as well as a premolar tooth from each bear, will reveal such data as breeding ages of females, number of cubs produced, age structure of the female population and reproductive success. Please help us obtain as much information as possible by following the outlined procedures. You may call any District DNR office or the Elkins Operations Center for assistance.

District 1: (304) 825-6787

District 2: (304) 822-3551

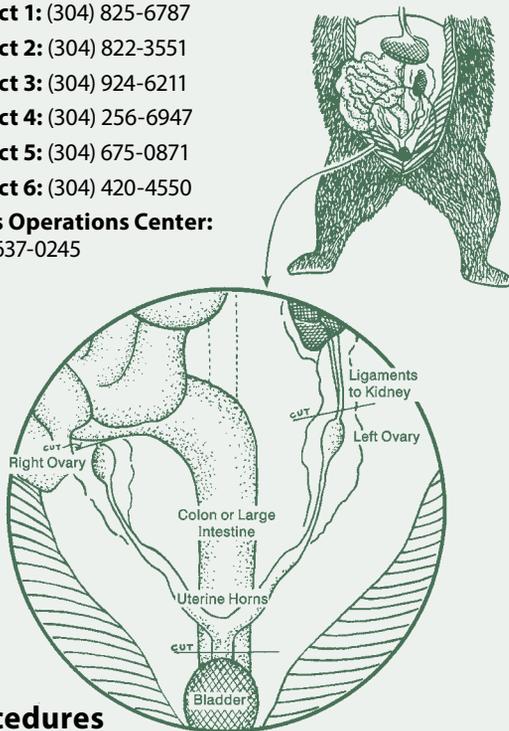

District 3: (304) 924-6211

District 4: (304) 256-6947

District 5: (304) 675-0871

District 6: (304) 420-4550

Elkins Operations Center:
(304) 637-0245

Procedures

1. Open bear abdominal cavity.
2. Move intestines aside.
3. Locate bladder.
4. Note uterus under bladder, over large intestine.
5. Remove uterus and ovaries by cutting as outlined in the above diagram. Be certain to get both ovaries which are each about the size of an acorn. They may be buried in large amounts of fat.
6. Put in plastic bag and place in cool location (in refrigerator if available), and notify DNR personnel.
7. If scales are available, weigh the bear.

Two bears may be taken with a bow during the bear archery season or one each in the archery and firearms seasons combined, provided at least **one bear must be taken in Boone, Fayette, Kanawha, Logan, McDowell, Mingo, Raleigh or Wyoming counties. Only one bear may be taken per day. No person may take more than two bears annually during the archery and firearms seasons combined.**

The use of dogs for bear hunting is illegal during the bear archery season. A bow may be substituted for a firearm during the bear firearms season while hunting with dogs in counties where hunting with dogs is legal (see top right of page 39).

Bear hunters are required to wear at least 400 square inches of blaze orange over his or her outer clothing while hunting in a county or part thereof open during a deer firearms season. This does not apply to waterfowl hunters and persons engaged in farming activities on their own land.

Firearms Season – BEAR

Daily Bag Limit: 1

Two bears may be taken during the bear firearms season provided that at least **one bear must be taken in Boone, Fayette, Kanawha, Logan, McDowell, Mingo, Raleigh or Wyoming counties.** Only one bear may be taken per day. No person may take more than two bears annually in archery and firearms seasons combined.

A bow, but not a crossbow, may be substituted for a firearm during bear firearms season.

Bear hunters are required to wear at least 400 square inches of blaze orange over his or her outer clothing while hunting in a county or part thereof during a deer firearms season. This does not apply to waterfowl hunters and persons engaged in farming activities on their own land.

*Counties (private land only) with limited resident and nonresident hunting for bear during the Buck Firearms Season

There are 19 counties with resident and nonresident bear hunting during the Buck Firearm Season on private land only with prior application in 2013. To be eligible to hunt in one of these counties an application must be submitted by August 19, 2013. Resident landowners do not need a permit to hunt on their own land. Successful applicants will receive notification from the DNR by mail.

To apply, ask your license agent for a bear permit application or download one from www.wvdnr.gov.
