

-Parachuting Penguins-

Materials Needed:

- Coffee filters
- Yarn
- Scissors
- Small paper cup
- Paper
- Writing utensils
- Holepunch

Instructions:

1. Press four holes in your coffee filter at opposite ends from each other.
2. Tie your yarn through each of these four holes.
3. Press four holes into your paper cup at opposite ends so that they line up with the ones in your coffee filter.
4. Tie the opposite ends of your yarn through the corresponding hole in your cup.
5. Draw on your paper your very own penguin that you will help parachute to safety.
6. Cut your penguin out and place inside your paper cup that is attached to the “parachute”.
