

-Solar Oven S'mores-

Materials Needed:

- Hershey's chocolate
- Graham crackers
- Marshmallows
- Tin Foil
- Pizza box (or other type of box similar)
- Scissors or boxcutter

Instructions:

1. Cut the cardboard pizza box lid in a squared "U" shape with the connecting piece still connected to the back of the pizza box. The open part of your "U" shape should be facing the back of the box. This creates a flap within the lid of your box.
2. Cover the inside of this flap with foil and secure.
3. Cover the inside of the pizza box with foil.
4. Place your s'mores inside the pizza box on the foil in a sunny area. Keep an eye on
